

Prayer of the Virgin Mary on the Occasion of the 33rd Year of Her Apparitions in Medjugorje

A Star of Light shone upon the hill,
it was the presence of the Queen of Peace.

An eternal legacy was given to Her children,
it was the instruction of seeking the peace of the heart.

Redemptions and conversions were poured out as Graces,
it was the ray of Reconciliation with the Kingdom of God.

A bridge of light arose from the Earth,
it was the prayers of Her Children,
those who cried out for a New Humanity.

The response of a few
became Grace for many.

It was the Love and the intercession of the Lady of Peace.

A profound communion
proclaimed the Great Universal Highness.

The Sovereign Queen of Peace
once again united the hearts with the King of Love.

And, for a while, Heaven had touched Earth.
It was the unity of all Her children with the Celestial Father.

Hail, Mother of Love!
Hail, Queen of Peace!

The stars of Your Crown, now and forever,
illuminate our paths.

Amen.
