DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE VILLAGE OF ALJUSTREL, FÁTIMA, SANTAREM, PORTUGAL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

May at the end of this spring arise fruits of the conversion of the heart for Lys Fatima to be present in the essence of each being.

In this way, dear children, by living the original purity, your lives will reach peace and the end of all human disturbance.

The path of prayer will make you understand the meaning of your existence and all that happens in life will become clearer and more resplendent.

From here, in Fatima, I come for a wounded world incapable of regenerating or of reaching healing, therefore I offer you My Immaculate Heart for the souls to live the union with the Eternal and the reconciliation of their lives.

At this hour of the planet, humanity defines its path of redemption or perdition, and your Heavenly Mother once more comes to help you for you to be able to find Jesus soon and to live Him fully in the Holy Eucharist.

I fervently wish, dear children, that even the last soul may enter the Kingdom of Lys, Kingdom of Love and Redemption.

I thank you for responding to My call.

Who blesses you,

Your Mother Mary, Rose of Peace
