DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED during the trip from the MARIAN CENTER OF FIGUEIRA to the city of São Paulo, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Be poor of heart and you will always have the presence of the Kingdom of Heaven at your side; you will see the door that will lead you toward the House of the Father.

Aspire to that humility and I also assure you that you will find peace, like an oasis in the desert of life.

Be seekers of this humility, and all your aspects will also achieve the Grace of being aware of your time of redemption.

Be carriers of humility and you will see the Source of Divine and Unfathomable Mercy be born, which will be like the rainwater that purifies you and washes you until it is able to have you be in likeness to My Son, as an example of holiness, love and compassion.

For always be what God the Father expects you to be, to the point of being aware of the path of redemption which you came to experience for this planet and for this humanity.

Think all the time about the humility of your Heavenly Mother, Who also offers you the poverty of Her Soul and the Mercy of Her Spirit, in order that a larger number of souls be reconciled with God and with all of life.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
