DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF PORTO, PORTUGAL TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

At the doorway of the great event of Fatima, your Heavenly Mother is preparing, in the Spiritual Kingdom of God and companioned by all Her angels, for the mission that Her Lord and Master entrusted to Her.

For this reason, I would like each child of Mine, in attunement and prayer, to accompany your Heavenly Mother in this sacred task of bringing a part of humanity back to once again contact the state of its original purity.

For this, dear children, in these next days, I invite each one of you to be very present, with Fatima in your heart, so the higher universe of consciousness can move forward with this sacred task with the brotherhood that is born of each heart that prays and pleads.

So it is that, at this time, your Heavenly Mother will be beginning Her divine task in humanity, in need of love, mercy and forgiveness.

Within each one of you, let peace and confidence blossom so you are able to respond to the call from on High in time; because what will happen in the coming days will be important inwardly and universally.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
