APPARITION OF THE VIRGIN MARY IN GOIÂNIA, GOIÁS, BRAZIL, TO THE VISIONARIES FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS AND SISTER LUCÍA DE JESÚS

Friar Elías del Sagrado Corazón de Jesús transmits the Words of the Virgin Mary:

Dear and beloved children of Goiânia, I bring the world in My hands, because it is a world that suffers and despairs. In My Heart I bring your hearts, because as Queen of Peace and Mother of the Universe, I have heard your pleas and come in response to your call.

Dear children, in a time without peace, may there be peace in your hearts. Seek the Kingdom of My Peace through prayer; in this way, your families and kin will be helped.

God's wish is that the devotion to My Immaculate Heart should be expanded in the world, and My Face of Peace comes before you so your hearts may recognize the very important task of the end of times.

Thus, My Son sends Me to the world to advise you and announce that it is time to pray with the heart. In this way, many things will be able to be healed quickly, because your essences will open to the new, to the Greater Source that comes from the Most High Father, a place from which I come on this day to announce to all My children that it is possible to redeem the life and the heart.

Open your arms, dear children, to receive My maternal embrace. Many of My children in these times need to learn about new things that come from Heaven and the Universe, which will help in the transition of this humanity so that many of My children stop suffering, stop experiencing pain and find Christ at this time.

My Son sends Me to announce He is returning; thus, you must prepare with readiness. It is necessary, dear children, that your homes be temples of prayer; in this way, the enemy will not make you fear, because My Immaculate Heart will reign in your families.

Heaven sends Me, dear children, to prepare the New Race for the Return of Christ, which is very close. Meanwhile, beloved children, pray with the heart, confess your faults to God, for He will listen to you.

It is necessary, dear children, to open the heart to forgiveness, while the world experiences many tests and challenges. God is seeking humble willing hearts, so they may be the new apostles of prayer and prepare the Kingdom of God on Earth, which will come with My Son in Glory and in the gladness of all the angels and archangels. It is necessary that you enter My Kingdom every day.

As Mother, I endeavour always that you be able to return to My Son, Who is very forgotten in these times; few seek the Eucharist, the eternal Communion with His Heart.

So on this evening, I invite you to be renewed in the Sacraments; in this way, you will prepare your souls for that path which Christ wishes to travel in your lives, guiding you, safeguarding and protecting you, so you may accomplish the final mission, beloved children, which is to reach Paradise, the Paradise of God.

Sister Lucía de Jesús transmits the Words of the Virgin Mary:

My children, many do not understand the power of prayer nor do they know the grandeur of experiencing the act of praying; and today I tell you that the world was born of the Divine Verb, and the New Earth must be prepared through the pure verb of its creatures.

My children, the Divine Verb created this very perfect planet and gave it to you; It created each of your consciousnesses so you could glorify God. Each of your hearts received a Divine Attribute which is perfect and is held in your essences. It is through this attribute, My children, which is called Love, that you must create a new world, little by little, through your actions, your thoughts, your feelings and the constant prayer you must utter all the time.

My children, today I want to teach you to live a new life on this Earth, to forget forever the errors of the past, because today you have the opportunity to be reborn in God. Thus, I come to the world to renew all creatures of the Earth. So, I ask that My Verb reach every space of this world, so that all consciousnesses that dwell here may receive the opportunity for forgiveness, the absolute forgiveness of all their faults, so they may be reborn in spirit to rebuild this world.

My children, discover the power of the prayerful verb, which first creates in the invisible, and little by little, manifests the Will of God in matter. Knowing this power will only come to those who act and begin to fervently pray, those who dare to place themselves in prayer above all things in life, not caring what others think, but indeed knowing that a pure and true example changes all lives, changes all those who are around you.

Today, I call on you to give the example of virtue and of charity, of service, of love and of peace, a peace that is so lacking in the world and which few know.

My children, if today you have the opportunity of being with My Immaculate Heart, open your essences so My Love is able to place this small piece of My Kingdom in them, which must be given to your hearts so you can multiply it and transform it in this New Earth, which must be born in likeness to the Paradise of God.

My children, everything is possible for those that say 'yes' to God. I only need you to be brave, that you have the courage to abandon yourselves, to set aside what you know of yourselves until today, so you may see a new human be born, full of a purity unknown to you, radiating a truth you have never seen in this world, and which is latent within the human heart.

Friar Elías del Sagrado Corazón de Jesús transmits the Words of the Virgin Mary:

While the majority of humanity needs healing and blessings, the Powerful Ray of the Love of God, which pierces My Immaculate Heart, is poured out over your lives, families and loved ones.

What I need, dear children, is for you to come beneath My Mantle, so My Pilgrim steps are able to guide you.

Throughout the centuries, I have just said: prayer, prayer and more prayer to change the world.

Prepare your hearts for the definitive time. My Grace reaches you, My Motherhood shelters you and gathers the flocks of My Son to direct you toward the Eternal Light, the Light of the Celestial Father.

I thank you for these sacred presents you have brought to My Altar, I bless them with Love and with Motherliness, and as I have already said, once again I bless them so they may be a symbol, a reference for peace and light for all.

Know, My dear children, that the union of your hearts with Mine will be the true unity between Heaven and Earth, between creatures and God, by means of My Immaculate Heart.

Glorify God; He is very tired of seeing so much evil in the world. He needs to pour out the immensity of His Mercy over you. For this, dear children, open your lives to God, let God be first, before all other things; in this way, you will perceive, beloved children, the difference between being in God and being far from God.

Seek God first every day, in your hearts, at each new dawn.

I will be very honored and grateful when you practice and exercise prayer in God, Communion with the Father, the Son, and the Holy Spirit; in this way, your essences will be in the Most Holy Trinity and you will not be alone in this time. The Sacred Triangulation of God will prevail in your lives, a mystery of peace and of wisdom for hearts that are thirsty and seek peace, the consolation they need, the Grace they search for in this era.

Dear children of Goiânia, I eternally thank you for this day, for this year and for this cycle you are living with Me.

Carry My Peace to your homes.

May the Light of Christ light up the darkness of these times.

May Love and Fraternity reign among all My children; you will thus overcome the tests and will not suffer, simply because you want to be in God.

Seek God.

I thank you!

In the name of the Father, the Son, and the Holy Spirit. Amen.

Mother María Shimani de Montserrat:

We are going to share some things with everybody about what happened during the Apparition, some things which Our Lady allows us to transmit to you, in addition, obviously, to everything She said to us.

Friar Elías del Sagrado Corazón de Jesús:

To those brothers and sisters who are here for the first time, we are going to briefly tell how the Apparition of the Virgin happens, so you can consciously understand what is taking place.

During the prayer work, a condition is gradually created, and the planes which exist beyond this physical plane, which are the Divine Planes, the Celestial Planes, gradually unite with each other until, at a certain point, Our Lady, with the help of the angels, gradually draws nearer to this physical place.

She comes as a three-dimensional image; it is as if we saw a person on another plane. At that moment, Our Lady begins to draw closer, the angels begin to prepare and to create the condition for Her to descend.

As our Mother is a Divine Being, She has a unique way of approaching us, of confirming She is the Virgin Mary.

So during each Apparition, as Mother Shimani was telling us today at the beginning, many things happen before She descends. Today, for example, Our Lady began to approach as a sphere of Light, where through a tunnel of light blue and white Light, She was descending, was coming from the Universe toward the Earth, and in Her Motherly and Divine Consciousness, She knows where we are and begins to direct Her Consciousness to that place.

While the angels prepare and open the doors for Her to come, they also receive indications for helping our inner beings. So many things happen at the same time, in another time different than our material time.

It's a little difficult to explain how this happens, but that is what can be seen. Everything is through a movement of Light, an energy that Our Lady is generating, preparing for coming to us.

A cloud of Light appeared here, over the stage; it was coming directly from Heaven, where Our Mother is. And that cloud of Light began to expand over the public; it was a Light of serenity, of peace, that began to overwhelm our hearts and our souls until, at a certain moment, we came here to wait for Our Mother. She has always taught us that we should pray to wait for Her and receive Her.

At that moment, our Mother appears, as a Living and Resplendent Being. Today She came as the Queen of Peace; the skin a light pink, blue eyes as deep as the sea, a white veil that reached Her waist, a golden cord, a light blue mantle and a light pink robe, barefoot, with the rosary in Her hands; praying for us and for the world, and opening Her arms; each time She addressed Her Words to us, we repeated what She said to us and you listened to that.

While She transmitted Her Words for everybody, She always, through a vision, brings us the situations that are happening at this moment on the planet, in humanity. She always says to us that She does not only descend for us, who are present here, but also for humanity, because as a Mother, She is helping everybody.

Mother María Shimani de Montserrat:

How many things happen when Our Lady approaches, right?

It has always been the same over the centuries of this humanity, except that in the previous Apparitions, the visionaries did not have the possibility of transmitting as they do today. Many times, possibly, they did not understand what exactly they were seeing; they could not explain what they were seeing.

But throughout all the history of humanity, Our Lady has helped Her children in the same way as today; only, in this time, when we are a little more adult, spiritually speaking, it is necessary that we know how the process of an Apparition works, because it is also necessary that we are able to understand the scope of what happens when a Divine Hierarchy is present.

Now, our task will be to pray, pray so that all Our Lady left here can be supported and produce its results.

Now, we are all going to say goodbye to Our Lady with something we know, something we can call ecumenical, and who knows if someday, Our Lady returns to Goiânia, because She always returns when hearts open to receive Her.

This that we are going to share with you was born as a mischief of ours, the monks, something a little hidden, and one day it seems that Our Lady heard us, our mischief was discovered, and She asked that we sing it at an Apparition; so for all of you, for the heart of each, with all our love.

Song: "Our Lady."
