APPARITION OF THE VIRGIN MARY IN THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARIES FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS AND SISTER LUCÍA DE JESÚS

Friar Elías del Sagrado Corazón de Jesús transmits the Words of the Virgin Mary:

I Am the Lady of Fatima. On this day, I prepare for the advent of the anniversary of one of the most important events in the history of your humanity, which is the second redemption of humanity after the Coming of My Son.

Thus, prepare your hearts for the path of light which I will weave toward Europe; opening doors and hearts, healing souls and lives that want to be in My arms, experiencing the consecration of the heart the next 13th of March.

Today, I pour out My Immaculate Heart over the world and I expect each of your lives to crown Me as the Queen of the Earth, through the prayer of the Holy Rosary, the prayer of the heart, the prayer that will always carry you into peace.

In this time, proclaim My Word of Life.

Each day I invite you to live the Commandments of the Lord; in this way, you will generate the New Humanity for which God is waiting.

Today, I open to take your hearts into My Heart, and to prepare this next Holy Week, as the great fertilizer for your lives, in which the Lord will place new seeds so the plants and the flowers are able to grow and are able to offer their gifts to God in such a definitive and sensitive time.

Today, I call on you to gather strength through your hearts so you can unite with My immaculate path.

I come to prepare humanity for something important. For this reason, I always ask to return to Aurora; this is the cradle of a new project of God, in which something will be fully experienced by all, when you open to the Call of the Father and live without fear the transformation of life and consciousness.

Day and night, I offer you My Immaculate Heart. Here you have it; It is in My hands for you, a Heart that lived in this humanity and which understood the human condition of all beings.

Through My Heart, I bring you the Spirit of God. It must reign in your homes and families so it may be the new Light of the world after My Son, a Heart that prepares your hearts for what will come in a short time.

Thus, it is now, dear children, that the time has come to live in the school of prayer, in the school of healing and of redemption.

My Immaculate Heart will also go to Fatima next month. My Virginal and non-material Spirit will encircle this whole place. Those who want to truly see Me, attune your prayers with the heart, for you will surely find Me there and will feel the trust for being able to continue walking.

For I Am your Teacher and Pilgrim, She Who accompanies the flocks of Christ, Who does not tire of going through this world throughout the ages to light up the paths of those in darkness.

I come to revive those which My Son has requested of Me. I come to open the eyes of those who are blind and those who have hardened their hearts because of life experiences.

I have the key for your consecration, as well as your sanctity. Each knows what they can give the Father.

In this time, live My advent Message. My Son sends Me to truly and consciously prepare you. I come to prepare your hearts for the New Earth.

Who will risk following My path?

Who dares to fully live My call?

I am forming the new lines of the soldiers of Light, I am assembling those who have fallen and those who have not fallen; I am calling all of you to live the Transfiguration of My Son.

Dear children, I come to announce that God has granted Me a time of forgiveness for the coming month of May, in which the Kingdom of Fatima will shine forth once again in the world, and its Gardens of Light will be seen on the surface. Hold tight to My Sacred Mantle, I will not separate you from the Kingdom of My Son, rather I will take you toward the Kingdom of the Father, where Unity, Love and Forgiveness reside.

Thus, I name Myself the New Aurora, the Light of the Universe that is coming to you. I Am the Maternal Supra-consciousness, the Star that comes from the Universe directly to the Earth. God has granted Me being the Star in your lives.

I invite you to copy My path of simplicity and humility; in this way, you will begin to live in God.

Sister Lucía de Jesús transmits the Words of the Virgin Mary:

My children,

As the Morning Star, I come to announce the Sun of a new time, which purifies your lives, which renews your small souls. This Sun that is coming, My dears, is the Most Sacred Heart of My Son, which will light up the abysses and from the depths of those abysses, will rescue up to the last of the souls that must manifest, in this time, as the image and likeness of His Most Sacred Heart.

I come to announce, My children, a New Aurora in your lives, an Aurora that will be born through the Presence of My Son in this Kingdom. I want you to prepare your hearts with love, with profound gratitude, so your souls are able to live in these coming days, with fullness and hope, the Presence of My Son in the world.

Through My Immaculate Heart, today I illumine your consciousnesses so you are able to discover the mysteries that are held in the Passion of My Son, mysteries that up until today, humanity has not yet uncovered.

My children, in your little hearts, I want you to discover the true victory that exists in the Sacrifice of My Son, and that your precious lives may be renewed, in this time, through small sacrifices, small surrenders you are able to experience to bring relief to the Heart of God.

Today, in the Passion of Christ, I want you to discover the joy of salvation, the joy of the redemption and, in spite of all suffering, the joy and hope which never disappeared from the depths of the Heart of My Son.

My children, the Heart of Christ could find the strength to stand up after each fall through the hope of the rebirth of this world, and from this Sacred Heart, you must learn the power of renewal in each instant of your life.

For this reason, today I tell you that you not place your hearts in the tests you are experiencing, but rather, you feed hope, the joy of being able to be reborn each day. Live the Passion of My Son, offering your small lives to renew the sacrifice of Christ, and thus, as He did so long ago, the offering of your hearts is able to generate merits for the world, My children, so that humanity may have a new opportunity for redemption and this world may not disappear from the universe.

Today, I want you to feed the faith and devotion in your lives, and that the power of prayer be more powerful than any evil, that the valor of your souls is able to defeat the fear that many times intimidates the souls of the world.

My children, through your hearts, I want you to be the example to the world that My Son is already returning to this Earth, because He has already returned to each of your lives, because His Sacred Heart beats in your essences and renews your lives and your souls through His Sacred Sacrifice, through His Infinite Love.

Friar Elías del Sagrado Corazón de Jesús transmits the Words of the Virgin Mary:

On this evening, dear children, see again the example of the consecration of My Immaculate Heart through these children I have called, who serve a large part of the Plan of God.

But My Son once said, in a Message, that in His ancient Sepulcher there were precious violets that restored Him, flowers of Love in His Sepulcher that helped to raise Him and to fulfill the Plan of God on Earth.

Today, I want to call on one of those violets to be consecrated, as daughter, to My Immaculate Heart, and as from this moment, adorn the Altars of My Maternal Kingdom.

Friar Elías del Sagrado Corazón de Jesús:

At the request of Our Lady, we are going to listen to the song: "Consecration", so She may bless these brothers and sisters and all these sacred objects.

Song: "Consecration".

Friar Elías del Sagrado Corazón de Jesús transmits the Words of the Virgin Mary:

Dear children, carry the Peace of My Heart in your hearts wherever you may go. Just that is enough for this time.

Remember I will be at the side of those who dare to live the Passion of Christ, comforting them and consoling them, encouraging them to continue onward, because Something Greater awaits them: the Spirit of God, their Eternal Father.

I thank you!

God willing, we will see each other soon in Portugal!

Friar Elías del Sagrado Corazón de Jesús:

In the name of the Father, the Son and the Holy Spirit. Amen.

Mother María Shimani de Montserrat:

The truth is that we don't know how you experienced it, those who are behind the screen; but we here have experienced a great moment, in which Our Lady definitely entered into our consciousness.

Today, in a unique way, here in this space where we are, all the brothers and sisters from the Marian Center of Aurora who participated, were able to feel ourselves to be of one mind and one heart; and Our Lady came to involve all these consciousnesses in a single one.

We hope that those on the other side of the screen were able to feel, as we did, the Love of the Queen of Heaven and of Earth.

Friar Elías del Sagrado Corazón de Jesús:

We would like to share in words what Our Lady transmitted today, but sometimes we find ourselves very limited by our terrestrial language. But the Love that flows from the Heart of Mary allows everything to be confirmed and felt in our being.

During the Apparition, Our Lady came as Our Lady of Fatima, as you heard. A very compelling and definite manifestation.

She brought Her Immaculate Heart pouring out blood, offering us the sacrifices She lived for us, offering us healing and redemption; but Her gentleness and serenity were with us all the time.

Mary's Words comforted our heart and our soul, moment by moment. We could perceive that behind Mary was the Presence of God, and in Her we also perceived God.

Also, in some moments, She showed us some passages of Her life in Galilee and Her accompaniment during the Passion of Jesus.

We could perceive that Our Lady was activating recordings of Light in our consciousnesses; Christic keys for our beings, which recognized them at the instant She activated them. In this way, we were communing, through Mary, with the whole life Jesus had all over the Earth.

When Mary referred to Fatima, we felt Her to be at home, Fatima and Aurora were one. And those Kingdoms She expressed today in such a particular way, those Gardens of Light came here and left something in our hearts: energies, angelic presences and also codes of Light that specifically entered our spirits.

Mary was slowly involving us with the Kingdom of Fatima and was showing us, in the future, Her task already concretized in Europe, and all the conversions and redemptions She would carry out on going through Europe.

The most special moment was when She called the brothers and sisters for the consecration, and when She directly spoke about the violets that had been in the Sepulcher of Jesus. That was not a metaphor, it was a fact that Mary was revealing to us through a scene She showed us.

At the moment when Jesus was placed in the Sepulcher, a group of women who were accompanying Mary, anointed the Body of Our Lord with oils. There was a very specific woman who carried a bunch of flowers in her hands, in her arms, and she went placing each of the flowers around the Sepulcher.

Those flowers were not only emitting a very particular and special aroma, we could feel and perceive a sweet, soft aroma that went enveloping the Body of Our Lord and all the Sepulcher.

And this, according to Our Lady, went restoring the Body of Our Lord, which was wounded, through the faith of that woman, through the faith with which she had trusted Jesus. She knew inwardly that He was the Messiah, the Redeemer; although He was dead in the Sepulcher, she trusted in the Spirit of Jesus, and that act of faith raised Him; it was one of the attributes that helped in the restoration of Jesus.

That is how it was explained to us by our Mother today. And today Our Lady was explicit in saying that when She calls Her children to be consecrated, She doesn't call on them to be consecrated physically; She calls on each of our souls. She wants to try and have us remember our commitment to Her Immaculate Heart. She wants to consecrate those who are healthy and those who are sick, those who are lucid and those who are crazy.

Today She named Herself as the Mother of humanity for those who are believers and non-believers. She knows well who we are; She deeply knows us, even though we may not trust in Her, or that sometimes, we may have turned our face from Her when we saw Her at some moment. She wants to rescue us and is determined to conquer our hearts.

Sister Lucía de Jesús:

After so many things, all I want to add is that during the prayer, before Our Lady appeared, it seems that the angels heard us and quickly came, during the first prayers we began to recite.

And today, in a special way, they were working on us with great joy, pouring flowers out over this room. And when Our Lady began to approach, we could see the path on which She came from the horizon; and we began to see another path that came from the back of this room, on which some saints were coming who were joyfully singing. In the first row of these saints, we could recognize the Holy Padre Pio, who was bringing a crown of flowers. The other saints, who came behind him, were singing and pouring out flowers over the path. They stopped by the altar and stood waiting for the arrival of Our Lady. They said they came to crown Holy Mary of Aurora.

Friar Elías del Sagrado Corazón de Jesús:

These are a lot of emotions to open our hearts.

Well, we wanted to finish by sharing with the brothers and sisters that our Mother, yesterday and today, very firmly announced the Holy Week, the Sacred Week.

We want to share that this Sacred Week is an invitation of Our Lord Christ Jesus, a Sacred Week that will also be offered in other Marian Centers and will be an experience of prayer, of peace and of healing for everybody.

And we leave everybody with some questions:

Why is it that Jesus Christ returns during the Sacred Week?

What is it that the Sacred Hearts want to rescue in these times and which we are able to experience in a true and simple way?

After this great impulse of Mary's, let us place these questions in our heart so that, during this week, they can be answered by Our Own Lord.

Thank You, Divine Mother, for all that You give us!
