DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

Dear children,

Within the heart of Uganda, you may already see the urgency of responding to the collective spiritual need that exists in this sister country.

For that reason and many others, the Lady of Kibeho appeared in Ruanda to remind all of humanity that there is a great debt that must be paid with the service and charity of many children of Mine. This shall balance the scales, for serving one another will be more just for all, so that the spirit of fraternity may arise again.

Missionary children, you are the part of humanity that represents all those who turn their backs and do not want to see the severity that My children of Africa experience.

Today, children, you are serving and donating your hands and your work for all those who do not want to do anything, not even assuming the part that corresponds to them, out of pride and lack of humility.

While servers of the world gather in My beloved Africa to provide relief to the suffering, in the same way Law and Justice unify in order to act on the whole of humanity in the right moment, before the Return of Christ.

Therefore, from the essence of the heart, I prepare all of those who listen to Me and those who remain deaf so that, in the culminating moment of the planetary purification, they may provide the necessary aid, the service that will place them on another plain of consciousness.

Every child of Mine, regardless of being a believer or non-believer, has a commitment before the Creator, and no one shall remain without receiving and knowing what they have come to do in this world.

The times urge and demand a change in the consciousness and in the daily life, which must be directed to the search for God and to the union with His Sacred Spirit. Woe to those souls who do not do so!

Dear children, Uganda is the representation of the great spiritual illness of the whole world; it is the result of a mistaken and unmeasured action of souls who do not fear God.

Therefore, children, may all of you always behold the Purpose above everything; thus, one day you will be free of your own mistakes.

I thank you for responding to My call!

Who leads you to the awareness of the only Truth,

Your Mother Mary, Rose of Peace
