APPARITION OF THE VIRGIN MARY IN THE CITY OF MANAGUA, NICARAGUA, TO THE VISIONARIES FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS AND SISTER LUCÍA DE JESÚS

Friar Elías del Sagrado Corazón de Jesús transmits the Words of the Virgin Mary:

With all the sweetness of My Heart, I come to meet with you to bring you peace again, the peace that is perpetual in the Heart of God and all His universal Kingdom.

Opening the doors to this Kingdom, today I place you all in My arms, just as I placed the Child Jesus and each of the apostles when they doubted the true existence of Christ on Earth.

Dear children, in this way, I strengthen your ministry, your personal and group mission in the end of times, in light of the Heart of the Celestial Father. In this way, I bring you My codes of Light, so that your hearts are able to receive them, can hold them within, and they may be flames that can be perpetuated in the world, in this time of transition.

With the joy of your hearts, I can carry out My works in the world and bring My children the Holy Spirit of God, which will motivate you in the transformation and the redemption of your lives.

It is for this reason, dear children, that today I have come here not only to bless you, to consecrate you, but also to thank all of you and all your brothers and sisters for accomplishing this second stage of the sacred Mission with the Divine Messengers.

You do not know, dear children, what it means to the Heart of the Father, to hold within Himself the feeling of love for all His creatures, above all the perfect adherence to this purpose of bringing peace and love to the world, so that these attributes not be erased from innocent and simple hearts.

It is through your inner response, dear children, that I am able to concretize My Work in Central America and Mexico, and in the future, in other places where the planetary need is very serious, and many, a great many souls, as well as the Kingdoms of Nature, need My celestial intercession to be prepared and ready for the end of times.

It is thus that today I unite My Rosary of Light with your rosaries, creating this bridge of Light to the Celestial Kingdom, allowing you to vivify the Codes of God in the depths of your souls so that, in this end time, dear children, you are able to carry out your purpose which is the Holy Purpose of God in your lives, His magnificent Will of bringing the infinite Source of His Mercy to the planet and making you redeemed beings in the Eyes of My beloved Son Jesus.

This confirms that here in Nicaragua, dear children, this task is not an emotion, but rather a profound devotion for Me, thus establishing a communion with My Immaculate Heart.

And so I ask, dear children, that you continue forward; that you deepen the practice of the prayer of the heart in your lives so that many more souls may be benefited by this Grace that I bring all of you today, a repairing Grace, healing and redeeming, in each part of your beings and of your molecules. And so it is that I ignite the cells of Light within you, the same cells that I ignited in the apostles, preparing them for preaching and living the Word of God.

You, My beloved children of Nicaragua and the world, are the apostles of the end of times, the apostles of Christ, the Redeemer, who must be the example of peace and the good for all creatures. Avail yourselves of the service that your brothers and sisters are doing for Venezuela. Through them find the true testimonial of charity.

This is why I want to say, dear children, that today I am also with all of them in this sacred mission. And through their missionary hearts, I am alleviating the most suffering hearts, closing the greatest wounds in the consciousness of humanity.

This work of service for peace, especially for My beloved Venezuela, is opening the doors to an inexplicable reconciliation. This means, dear children, that the holy Throne of God and all His celestial power is reopening the doors to Venezuela, through His angels and all His saints and the blessed, bringing the unique opportunity of rehabilitation, freeing the prisons of chaos and suffering, dear children, simply by serving, loving and giving charity to those most in need.

And so I invite you, My children, to embrace this mystery of charity and the good. You do not know, dear children, how the Kingdoms of Nature are also benefited by these things. Thus, today I also invite you to be guardians and protectors of the Kingdoms of Nature, to take care of your seas, forests, any Kingdom living in each nation, in each town and in each city.

I want you to value these matters that have been part, from the beginning, of the Creation of God. It is in this way, dear children, that you being here from the heart with Me and with a deep love for My Immaculate Heart, that I am able to pour out My Graces, which will be results in the future of souls, in the nations that need it most.

Central America, through this pilgrimage and the adherence of all My children of the world, especially because of all your prayers and pleas, is receiving an inexplicable expiation which is produced, generated and carried out through My Immaculate Heart, bringing everybody the flame of faith and hope.

My wish, dear children, is to be closer to you every day and that, from Nicaragua, new groups of prayer emerge strengthened, just as I asked the brothers and sisters of Costa Rica, who will form groups of prayer, inspired by My Messages of Peace, by the redeeming Words of Christ and of Saint Joseph.

I want you to definitely live in Our Sacred Hearts, may you take the step for all the planetary consciousness, may you not tire of being missionaries of peace and of propagating that peace in the whole world.

It is through this work and especially through the missions that the scales of the human imbalance are miraculously being balanced. Do you know what this means, My beloveds?

Many prayers must have been heard by God Himself, for Him to be able to allow this inexplicable Grace for the world and for Central America.

So it is today, dear children, through this Grace and this love that assembles us in Christ, that I invite the Children of Mary who will be consecrated to come up here so that I may be able to continue to share My Love and My Light with you through the words of the Divine Verb which I proclaim today.

I bring to the world, dear children, the opportunity to love again, to forgive, to be reconciled with God and of definitely being a part of His Plan of Love and of Redemption.

And before continuing to speak with you, My beloved children of Nicaragua, I would like you to offer My Heart a song that unites everything that is apart. That in devotion and love, you honor the Virgin of Guadalupe.

I am listening.

Song: "Mother and Queen of Guadalupe."

It is thus, dear children, that I establish the sacred Universe of God on Earth, opening the doors to reconciliation among peoples and among the nations of the world; trusting absolutely that, in each of you, My Plan, which is the Plan of My Son, the Plan of God, your Eternal Father, can be carried out in the most simple and pure, in the innocent and free of heart.

Sister Lucía de Jesús transmits the Words of the Virgin Mary:

In this way, I teach you how to free the past with the joy of the heart, how to release the pain that permeates the consciousness, of each people and of each nation, with the simple love of your hearts.

Today, I assembled you here not only to transform your lives, not only to redeem your hearts, but so that you, My children, representing all of humanity, representing the consciousness of this planet, are able to change the uncertain destiny that this Earth will experience because of there not being peace or love in the world.

I asked you to lift up your voices, so that your hearts may also be uplifted, for in this way, I open the abysses, I free souls, including the most sinful ones, which on finding the Light of My Immaculate Heart, repent of the past. And that, through the authority of God, which He has granted his Holy Servant, I redeem and free you from damnation so that, rendering a service with Me, you balance your debts and experience redemption.

In this way, children, today I ask that you confess to Me, and through Me, that you confess to God; because today I open the portals to the Kingdom of the Heavens for you, I show you the celestial Altars so that you may place your faults and sins on them.

Repent, because I will forgive you. Repent, because I will renew you and free you, so that you may be able to build, in this country as on this planet, a redeemed land that lives in peace and union with God.

I ask that all who listen to Me, with hearts redeemed in light of the Celestial Father, ask Him for forgiveness in the name of humanity, with the joy of this very simple people.

My children, I came to carry out this redemption of the Americas, this liberation that for so long this people waited for and that, because of the openness of your hearts, today I will begin to concretize.

Today, in the eyes and in the hearts of My children, you will see the concretization of your efforts, the merits you generated with each assistance you gave Me so that I could come here.

Today, see My Light, the Grace and Redemption that I allow to descend from the Heavens; and thank God, My children, for being participants in His Plan.

The redemption of this planet is possible, the redemption of your souls is already active. Multiply this redemption in those who do not listen to Me, go in aid of those who do not follow Me, pray for those who will close doors in your faces, pray for those who will spit on the floor in front of you because of not believing in God, pray for those who curse you, cry out with your head on the ground for your enemies, cry out for the redemption of this planet; because in this way, beloved children, My Plan will triumph.

Release resentment from your lives, release hate and rage from your lives, live and establish peace, be reconciled with your families, be reconciled with your friends, ask for forgiveness and forgive your brothers and sisters.

And in this way, beloved children, you will announce to the world that it is possible to live the divine archetype expressed so long ago by My beloved Son Jesus.

It is time for the Christs of the new time to wake up. It is time for your souls to wake up to the commitment you came to fulfill with God. Thus, you are here; because you were called by Me so that you could say 'yes' to the Heart of God.

And so, I consecrate you and bless you not only to completely transform you, but so that you, My children, may transform this world, transform this nation, transform each home of those who are listening to Me today; because today My Grace and My Divine Presence reaches all your homes. Open the door of your homes, of your hearts to Me, because I will enter every day to pray with you for the Kingdoms and for souls so that, one day, My beloveds, this planet may become sacred, to which the Creator always aspired.

And may, in the universe as on Earth, your souls testify that the sacrifice of Christ was not in vain; and that the sacrifice each of you will experience will also not be in vain; because from them, My children, will be born the transcendence of all pain, a freeing from the tiredness of your bodies, the transformation of suffering into spiritual rejoicing, the transformation of sadness and grief into the eternal joy of seeing the Divine Plan triumph.

Today, My beloveds, see in the Love of My Words, in My Heart exposed to your hearts, that the Grace of God is infinite and His Love is immeasurable. And that, with that same Love, you must fill your spirits so that each one who approaches you feel the Divine Presence and believe that it is possible to transform the decadence of this world and make it sacred in the Eyes of God.

Friar Elías del Sagrado Corazón de Jesús transmits the Words of the Virgin Mary:

Dear children, I consecrate you, I bless you and I love you, as the White Dove of Peace.

Before leaving here, I want you to sing to Me as you did at the beginning, so that I may gather up the love of your hearts and pour it out where it is most needed.

It is thus, dear children, that through your consecration to My Immaculate Heart, I again consecrate Nicaragua to the Mother of God, the Queen of Peace, to the White Dove that brings you the Message of reconciliation and of redemption.

Place your left hand over your heart to confirm this consecration in My Presence, and raising your voices through song, I bless you, dear children, and I thank all of you for having responded once again to My call.

You do not know, dear children, how much relief has been brought to the oceans and all that is within them.

I thank you in the name of the Father, the Son and the Holy Spirit.

Now sing so that I may rise up to Heaven with the joy of your hearts for Central America.
