APPARITION OF THE VIRGIN MARY IN THE CITY OF SOROCABA, SÃO PAULO, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

I come to the world to bring peace to the nations, the end of wars in families, in homes and in hearts, and in all peoples who suffer the great punishment of the end of times.

I come to establish devotion to My Immaculate Heart throughout America and, today, after having been in Medjugorje celebrating My world anniversary with the whole humanity, on this night of Graces, I come to meet you to pour out My Light over the world once again.

God wants the best and the good in your hearts; therefore, I invite you, dear children, to experience the path of charity and also the path of prayer of the heart.

If you experience these simple but important things, your debts will dissolve from the account of God and your homes will open up to receive My special Graces, those that I wish to establish in your hearts and souls.

As the Queen of Peace, I gather everyone in My Sacred Cenacle for through My Immaculate Heart, dear children, today you are celebrating with Me the Communion with My Son.

God has allowed Me in a special way, My children, to bring the Sacred Universal Monstrance, the Great Glorified Body of Christ, the Precious Blood of the Lord Jesus Christ that must be contemplated in this definitive time.

With joy, go to your parishes and adore the Lord. He has waited, for a long time, to listen to you in detail, to listen to your hearts and problems. God wishes, through the Sacred Hearts, that humanity can once again save itself, and the Lady of Peace, the Universal Queen, wants to prevent the Law of God over the world so that humanity may emerge again from the Heart of God, and it enters the Heart of the Father through a profound communion that you must experience, dear children, in this time more than ever, so that evil can be removed from your lives and the same divine unity that the Sacred Family of Nazareth experienced, can be established in your families.

As the Queen of Peace, My children, I invite you to enter My Universe of Peace. Therefore, it will not be necessary, beloved children, for you to be able to see Me with your physical eyes. I wish that you can feel me within your hearts and remain in My eternal devotion.

I pray for you all, day and night. From the Celestial Kingdom, I send my Guardian Angels so that they may protect and accompany you; but, in this very special time that the world is living, I need you to give the great yes to the Lord, thus your lives will quickly change and your families will renew themselves by the loving action of the Holy Spirit.

Dear children, just like in other times in the past, when I appeared to other visionaries in the world, today I announce to you, beloved children, that you awaken to this last call of Mine, may your eyes be opened to the Light that comes from Heaven, may your heart hear My special Message, the Message that I have for the current time.

Live the Sacraments, My children, and if you have forgotten one of them, live them again promptly, thus you will be united to the Father and the Celestial Universe.

I desire, in your lives, a path of conversion, a conversion that will open the door to experience redemption, but in this time only the prayer of the heart will suffice.

I, as your Mother of prayer, come to teach you this so simple and sincere path, the same that I learned when I was with you in the world. While carrying Jesus in My arms, I did not stop contemplating the greatness of the Lord. Thus, you should understand, dear children, that in your daily chores you can contemplate the Lord. God contemplates, with greatness and love, when His children make a sincere effort.

May your hearts be mirrors of prayer, may you be lights for this world which is in darkness. This is possible, dear children; if you do this, you will not recognize yourselves in a short time, for the Light of My Son will shine on your faces and the Love of Christ will beat within your hearts.

Pray for all priests, for all universal religious life. I come to institute in this end time, a great request that My Son Jesus has made to Me: to unite all the peoples who are dispersed across the world through the heart and through prayer. If this happens in this way, through your permission and loving acts, new Laws of Mercy will descend over the world and it will not be necessary for you to suffer anymore, dear children.

I come to meet you as the Universal Mediatrix. I have desired for so long time that you may live in My Heart; but truthfully I tell you, dear children, that many of you have forgotten about My call.

For this reason, through the Maternal Love that I impart to all hearts, I come to remind you, dear children, about this important call to seek the peace of the heart. Thus, you will help yourselves and this special Grace that comes from Heaven will expand through your families and friends.

You know, dear children, that many of my children are suffering, at this time, spiritual problems that are aggravating in the souls, diseases that appear in the bodies of My children, which seem incurable.

Seek the path of prayer, in this way you will find the path of healing. The Gift of Science of the Holy Spirit will show you the path to experience redemption and, in this way, My beloved little children, you will free your hearts from all the evil you experience.

Today, I ask you, dear children, to not open the doors to evil. Heaven invites you to something special, the Infinite God comes to meet you through My Immaculate Heart.

I am the same from Nazareth, dear children, the same who appeared throughout the centuries.

Meditate on this special events that you experience today. Read about the events and thus, in the silence of the heart, in the profound prayer of the heart and in abiding faith, you will understand all that I say to you today and you will understand why I am coming into the world again. It is a great need of the Father, in His Majestic Will, that all His children turn towards His Heart.

Look with open eyes towards the horizon that is awakening, the light of dawn that is emerging. I am the Sun that shines in the darkness, I am your Guiding Star.

Hold on to My hands, dear children, thus I envelop you with My Sacred Mantle and thus, as I did in Guadalupe, I will unite all peoples as one, I will dissolve the evil of hearts for true faith will resurge within all children who have believed in My Word.

On this night of Graces, I will not fail to bless you. I come to pour out My Maternal Grace over you, placing My hands upon your heads, imploring My Son for His Mercy; in this way, your families, dear children, will be rewarded by My Maternal Light and you will be reunited in love.

Do not forget to seek the love of the heart, thus you will be liberated from experiencing human feelings. God said that, through your faith, all your brethren, families, friends and acquaintances will be reunited; and this will be possible when you live a life of permanent prayer, then your homes will receive the needs of other brethren and you will be able to envelop them with the power of prayer so that healing can be established in those hearts.

I know that many expected miracles. The true miracle of God, dear children, for this 21st century, is that He has allowed Me to return to meet you, especially in this part of America, announcing Myself as the Queen of the Sun, the Woman who wears the Golden Rays of the Father, the Wisdom of the Father and His Mercy so that they can be poured over the world.

I seek, from your hearts and souls, true sincerity. My eyes contemplate all your necessities. I wish that all My children can take a step towards the Plan of God through the heart, faith and prayer in profound communion with Christ because if you do this, you will receive the Grace that you seek so much.

God has many good things for you. He has already knocked on the door of your homes, but in this time He sends His Faithful Messenger in the name of Jesus, Christ the Redeemer, to awaken those who sleep in this world because of the strength that the illusion of this humanity has had and that, through modernities, hypnotized My children, making them lose the path of faith.

Therefore, today I come to announce that it is time to return to the House of the Lord.

I thank you deeply, dear children, for this preparation that you have made for My Heart.

On this sacred night of faith, I come to give you My Love, the faith that your hearts need and the healing that your souls need to be able to continue walking in the paths of the Lord, in the Plans of God and His magnificent and loving Will.

I announce Myself to you as your Mother, I do not want to do you any harm but rather that you feel the radiance of My Immaculate Heart.

Dear children, all this is true when hearts open up to faith. I need you as My servers and apostles of the new time.

Friar Elías del Sagrado Corazón de Jesús,

Our Lady is praying for us and the city of Sorocaba.

Today, I tell you, dear children, as My Son has said, that the last will be the first and the first will be the last, those who will close the door for those who have been left behind, and we will all be together in the promise of Paradise, of the Kingdom of God.

I also come, on this night, to bless you, and I unite to the hearts of all My children, confirming your faith before the Most High Lord. This is the most important thing, dear children, that the flame of your heart never be extinguished. Therefore, today I ask you, that the children who are sitting in the last row of this room come forward for the blessing at this altar and all of those who feel it may do so. But I call in a special way, to this nearest altar, the new children of Mary, who again are the example of conversion and of the Love of God manifested by the power of faith and prayer.

Let us sing.

Song: "Our Lady".

When a soul sings it instantly unites to God and the Celestial Universe manifests in His heart, creating the perfect union between the creatures and God. In the simplest and humble things lies the true key that will take you to salvation.

My very beloved children, by the authority that God has granted Me and under the protection and shelter of the Archangel Raphael, of all the angels of Heaven who perpetually glorify the Lord, by the power of My Immaculate Heart and by the imperious force of the Mercy of Christ, I bless you on this heavenly night, pouring out the most pure of My Heart over your hearts; and I hope to promptly meet you in Heaven, after having lived the great experience of love and forgiveness on this Earth.

Unite yourselves, in this time. My Immaculate Heart will always help you whenever you open your heart to Me, which is the direct path to God, the eternal blessing of Our Father and the favorite Love of the Lord for all that He created since the beginning.

I am the Mother of the Beginning and the End, I am the one who waits with joy and love to strongly embrace you, so that you may rest your heads on My Heart and thus, with your inner ears you can feel the beating of My Immaculate Heart which is the only reason of your joy in this life.

I thank you for responding to My call!

Pray the Rosary every day, peace is needed in this world and an end of the spiritual war as well. Thus, the Mercy of the Lord will descend and we will be One in the heart of the universe.

In the name of the Father, the Son and the Holy Spirit. Amen.

Thank you little children for responding to My call!

Friar Elías del Sagrado Corazón de Jesús,

At the request of our Blessed Mother, to close this meeting with Her Immaculate Heart, let us listen to and sing the "Hymn of Medjugorje".

Mother María Shimani de Montserrat,

And to close, let us together sing "Mary of Nazareth".
