APPARITION OF THE VIRGIN MARY DURING THE VIGIL OF PRAYER, IN BELO HORIZONTE, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Friar Elías del Sagrado Corazón de Jesús:

Our Lady is asking that we keep our candles well positioned, at the level of the heart, so that She can carry out a task with all the souls.

Friar Elías del Sagrado Corazón de Jesús transmits the Words of the Virgin Mary:

Dear children, after so many blessings, I gather you together in My Heart; I invite you to walk firmly together with Christ, Our Lord.

And on this special evening, in which My Heart is in your hearts, I have come to this place, so sacred to Me, to bless the holy image of the Mother of the Divine Conception of the Trinity. In this way, I will also bless all the new Children of Mary, who will open the doors so that many more children are consecrated to My Immaculate Heart.

I gather up your offerings within My Heart. Lift up your pleas and intentions, My arms are open, My hands are extending out to you to gather up your petitions.

Lastly, I ask, dear children, that you go outside so that I can consecrate you, in profound adoration and pilgrimage.

Sing: "Hail, Hail, Hail Mary."

Mother María Shimani de Montserrat:

The Children of Mary who will be consecrated, please come up here.

Prayer: Hail Mary (in Portuguese)

Song: Hail Mary (in Latin)

Following, both visionaries receive special Messages from the Virgin Mary.

Friar Elías del Sagrado Corazón de Jesús transmits the Words of the Virgin Mary:

On this night of Graces, I bless you.

The universes assemble for this consecration and the suns awaken to their new mission. They prepare to be apostles of My Son and move forward with the torches of peace.

All of them are the Children of Mary, worthy children of God who are assembled in these times to respond to the Greater Plan; for this reason, the blessings are so infinite when hearts open to receive them.

And a sacred triangulation, through the Divine Trinity, will be established in Brazil and will stretch over the whole world; in the same way as all the Marian Centers of the world which, throughout the ages and the centuries, with faith, love and devotion, continue to respond to My preferred call.

Dear Children of Mary, servants of My Immaculate Heart, as from this moment, I invite you to be a living example of service, charity, surrender and sacrifice for the good and the peace of this humanity.

Remember that you carry upon your bodies My Mantle of Light; because from the beginning, God has taught Me to live simple and pure things. Thus, carry imprinted in your hearts the Sacred Star that comes from the Sidereal Universe.

Open your arms and hands so that the Holy Spirit may enter into your hearts and the Almighty dwell in you forever.

Be an example of humility and reverence, of obedience and service, of simplicity, unity and fellowship. In this way, through your healthy examples, you will help Me to fulfill My co-redemptive Project.

As I requested in Rwanda, I announced it in Medjugorje, and I declared it in Fatima, in this century, which is so difficult, I ask, dear children, that you only serve out of love; do not serve out of obligation, you are free since your births.

I will continue to pray for you, day and night, for your families and loved ones, so that they too awaken to My call for peace.

Today, My Immaculate Heart is glorified in this place and the flashes of My Divine Mercy expand through this city, redeeming it and blessing it for the good of all humanity and this planet.

I bless you, I love you and I heal you with My immaculate Light.

Glory to God in the highest and peace on Earth for all beings of good will.

I thank you for responding to My call!

And as I rise up in this moment, together with the Angels and Archangels, lifting up your pleas and intentions, today, My Immaculate Heart, in a spirit of omnipresence and of truth, has visited all the homes of the world that prayed with Me in this Vigil of Prayer.

Sing, with joy and rejoicing; hope exists.

Mother María Shimani de Montserrat:

Let us all sing "Immaculate Heart of Mary."

Very well, after all these blessings, which began to be felt from the moment of the prayer, we perceived that today would be a special day because there was a very significant unity here among souls.

We will now share the Messages that Our Lady transmitted; Who for some time has not given us a written Message during a Vigil.

We will begin with the [Message transmitted to Friar Elías del Sagrado Corazón de Jesús.](#)

Sister Lucía de Jesús:

Before reading the Message, we will tell a short story about a moment during the Apparition.

When Mary appeared, when She came here, everybody perceived that it was in a rather surprising way.

She was dressed in a different way, like we had never seen before. She had a white-colored veil, almost transparent, that reached Her feet, and this veil had embroidery that was like a flower which was climbing from Her feet to Her head. It was a plant that had some pink-colored flowers.

Mary also had a white-colored robe to Her feet and showed Her hair, which was wavy, falling over Her shoulders.

And at a certain moment, She opened the Mantle, and within the Mantle, She showed all of us the Kingdoms of Nature. She then began to transmit [Her Message.](#)
