DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF LISBON, PORTUGAL TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Dear children,

When I come to ask you to pray for the oceans and seas, I also ask that you pray for the continents and nations; in this way, all of Creation will be spiritually included in this proposal for redemption and Grace for this planet.

It will be in this way that all the Kingdoms, from the Mineral Kingdom to the Angelic Kingdom, will be assisted by the powerful stream of prayer and of peace.

I would like all My praying children to be able to penetrate this mystery of the universe of prayer, because each time you activate the prayerful verb, you are allowing the Divine Source to descend and draw closer to the whole human race.

With the prayer for the oceans and for the Kingdoms of Nature, your Heavenly Mother can intercede in a broader way, and although humanity continues to commit offenses against Creation, My Grace today grants you an opportunity for more souls to awaken and feel within themselves the need for a change toward the good and peace.

While the planet and your race are spiritually congested, your Heavenly Mother comes with aid and with love to rescue you, and in this way, establish a state of greater fraternity, wisdom and love in the human race, even though the majority of My children have lost everything.

I thank you for responding to My call!

Who blesses you and prays for you every day,

Your Mother, the Virgin Mary, Rose of Peace
