SPECIAL APPARITION OF THE VIRGIN MARY IN THE CITY OF SAN JOSÉ, COSTA RICA, TO THE VISIONARIES FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS AND SISTER LUCÍA DE JESÚS

Friar Elías del Sagrado Corazón de Jesús transmits the Words of the Virgin Mary:

Like a great ray of Light, I come to bring the world the liberating Light that it so needs so the peace and the harmony in the consciousness of humanity is not lost.

I am finally here among you, dear children, once again fulfilling My promise, in the name of the Almighty, Who allows this Grace of finding you in My Heart so that you may feel My Love and the happiness of living in God.

I come here today to bring you good news, a very special reason for your lives and hearts, which is the path of redemption which your consciousnesses are experiencing today for the first time, together with the Glory of My Son that also allows this special Grace.

For the Celestial Father, this means that the doors of the Light in Central America will not close and that the Celestial Kingdom will continue to descend, together with all His Angels, to help humanity, especially those who are still not redeemed.

As I told you today, dear children, I come as the Mother of Nature so that you remember the importance of observing the lower Kingdoms as your siblings, as part of the great Creation of God, so that all of you on this planet are able to evolve.

Today I also come to give you My Immaculate Heart as a symbol of peace for the whole planet, as a profound healing for souls, as Mercy for all hearts.

My wish is that on this evening, dear children, each of you should inwardly confirm yourselves on My path of Light so that, besides your loved ones and family members, souls are able to be touched by the Light of Heaven that I bring all of you today, which is a redemptive and liberating Light that will bring you peace and trust in the Creator.

But I am not here alone among you today, but also with all the angels who accompany Me and with your Guardian Angels, that come here at this moment to remind you they exist to be able to guide your lives, as a non-material service they provide for all of humanity. Unite with them in heart and soul. Pray together with them every day, so that you may be freed from a spiritual captivity and thus the nations be constituted into nations renewed by the Holy Spirit of God, which comes in this time to pour out Its Seven Gifts into simple and humble consciousnesses that open to this great Mystery.

Today I feel a special joy in My Heart and in My Soul, on being able to consecrate new Children of Mary, seeds of light for the new humanity that are healed and protected by Me, that are bathed by My Divinity and from the Celestial Father receive the Infinite Love of His Heart and His forgiveness. For this reason, My children, with the trust which must incarnate in your lives, on this evening, dare to take that step toward God. You must not fear anything. I only want to see you in a life of prayer, if possible in family prayer.

You know, dear children, that not only children suffer from separation in the families of humanity, but also the adults. In this place and in all Central America, I want to constitute a network of family prayer so My Heart, through your prayers and all your pleas, may also care for the beings most in need of peace in this time. It is through this network of families, of praying families united with God, that I will be able to bring peace to the nations of Central America. And as I told you today, the wounds of the past will close and forgiveness established when your hearts and souls say 'yes' to the Forgiveness of God, to the establishment of love among all creatures and among all the nations of Central America.

Thus, on this day, I come to erase from your memories that which you have experienced since the beginning of the colonization until today, because by forgiving the white man and allowing the original purity to emerge in your hearts, the purity of the original peoples, in these nations the spirit of fellowship and love, of brotherhood and union among human beings and the Kingdoms of Nature will be able to emerge again.

As your Mother of Guadalupe, I come to unite what is separate in the core of your beings, motivating your hearts to be able to achieve the purpose. It is very simple, My children, the purpose of serving God, your fellow beings and the Kingdoms of Nature, protecting all that God created so that you could be in peace, united with His eternal Love.

Thus, what I want, dear children, is that on this day, this consecration awaken many more souls to this commitment with Creation, to this commitment to your peoples and nations to first come to peace and then to a love and unity among beings. In this way, I will happily be able to leave Central America, seeing that My Purpose was accomplished in your hearts.

Sister Lucía de Jesús transmits the Words of the Virgin Mary:

On this evening, I come to imprint My Divine Aspect in your spirits, in your souls, just as I once imprinted it on the garments of Juan Diego.

In this way, I come to unite the peoples, to unite the cultures and the religions in the Love of My Son, which is the true path to finding God.

I come, My children, so that you may experience a re-encounter with Me, so that you know that I accompany you and brought you here by the hand, confirming the commitment of your spirits to God with the manifestation of His Plan of peace and of redemption for the Earth.

I called you to My meeting, My children, not only so that you could hear My voice, not only so you could feel My Peace, but so that you proclaim this Peace, so that you announce My Presence among humankind through a living testimony, through a peace-bringing example.

I come here so that you announce the Return of My Son, so you prepare a safe dwelling place for Him in your hearts and so that you clean and wash your spirits through the fire of prayer and the living water of the Holy Spirit; thus, in this way, My children, I am able to make you be reborn, I can bring to this world a new life through the renewal of your lives.

Today I come here as the Mother of Nature, as the Lady of Guadalupe, confirming to Central America this commitment to the Kingdoms of Nature.

From the beginning, My children, the Americas have had the mission of uniting with God through all that was created and of finding the Divine Presence in each Kingdom, of understanding the mission of each species created by Him.

The human heart, especially in the Americas, must understand it is part of a Law of life, must be a part of that balance, which is not only planetary, but also universal. And through that unity which you live with Nature, you be able to draw to the world a unity with the Heart of God; and in this way, children, open this door to the whole universe which unites creatures with their Creator.

Today I come to speak to you in a simple but profound way, because I hope to awaken your spirits for the mission you came to accomplish on Earth.

I come to erase from your lives all the errors you have made until now; so that, renewed by the Love of My Immaculate Heart, you are able to establish peace, love and forgiveness among human beings.

Children, as in other times, I come to ask for the establishment of peace so that wars can end, and just as I asked the shepherds of Fatima to pray for peace, today I ask each one of you to cry out for peace with the faith of your hearts, and that you draw this peace to the world; because it is possible, children, to stop the wars and conflicts that are precipitating on Earth and bring a truce to the places of the world that no longer know peace, which are permeated by hate and resentment, by rage and the need for vengeance.

With Me, children, forgive the past of this world. Forgive those who through ignorance, through not knowing God, subjugated their brothers and sisters and the Kingdoms of Nature, causing a wound in the consciousness of the planet that up until today needs to be healed.

Unite with Me in prayer for peace. Unite with Me through acts of forgiveness. And thus, just as I forgave those who scourged My Son, those who crowned Him with thorns, those who placed a cross on His back and crucified Him; forgive, children, those who scourged the world, who scourged souls, who crucified them with martyrdom and suffering, a suffering that until today many are living as souls on dark planes of the planet.

Free those dimensions of the Earth with Me, so that this planet may shine in the universe with the Light of Love that dwells only within it.

May this divine attribute be a living spring for the whole Cosmos and may all the creatures created by God avail themselves of this Divine Principle. And in this way, My children, may peace be established in all of Creation.

Friar Elías del Sagrado Corazón de Jesús transmits the Words of the Virgin Mary:

It is through My coming to Central America, dear children, that I am able to bring My Grace to you. It is that Grace which will form the new armies of Light so they may correspond to My call.

Today, here in Costa Rica, I will consecrate new Children of Mary who will be part of that army of Light which will commit to praying for peace with Me, with the main objective of allowing My Heart to triumph in souls and in all nations.

With that Love of the universe that I bring you today, which is very unknown to many, I want the Children of Mary to come up here. Remember that all of you, in essence, are children of My Divinity, of My Motherhood and of My Love.

Today I come especially to consecrate you, for you have confirmed to My Immaculate Heart the realization of the great mission of bringing peace to the planet and to humanity.

Place your left hand on your breast.

Let us repeat:

My God,
I believe in You, I adore You, I wait for You and I love You;
and I ask pardon for those who do not believe in You,
do not adore You, do not wait for You and do not love You.

Amen.

Feel the peace of the angels of the universe. Comfort your lives through My Holy Spirit, and thus, in this time, carry out the preparations for the glorious coming of Christ and the redemption of humanity before the Thrones of God.

With this Grace that emerges from My Heart like a spring, I consecrate you, My children, as sparks of Light of My Spirit, as souls in redemption, in profound rehabilitation, as examples of living prayer for the world, especially for those who do not know the prayer of the heart.

And thus it is that here today, in Central America, I establish the original purity of your hearts as the fundamental principle of God in your lives and in your consciousnesses, with the aim and the purpose that you always remember the purity of your hearts, for it will be the purity of the heart which will carry you eternally into peace and love.

Dear children, I bless you in the name of the Father, the Son and the Holy Spirit.

And now sing the hymn of your consecration, as representatives of the armies of Light of your Most Holy Mother.

I thank Costa Rica for having responded to My call, in this first part of the Sacred Mission.

I thank you!
