WEEKLY MESSAGE TRANSMITTED BY MARY, QUEEN OF PEACE AND OF THE AURORA OF THE MORNING, IN THE MARIAN CENTER OF AURORA, TO THE VISIONARY FRIAR ELÍAS

Dear children:

May today all be blessed by the light of My Immaculate Heart.

As Mother who gave origin to the manifestation of this Marian Center, today, dear children, I thank you after so many years, for having made the reality of this planetary epicenter possible, the reality of the Aurora which, for this month, will awaken in the heart that is united with it.

My children, this month is a month of great mercies and of blessings. As Mother, I ask you that for these next days, your hearts be attentive to what the Universe will bring to you as instruction and as blessing; it is an Eternal and Infinite Grace that God is revealing to you, My dears, the inner realities of your world of evolution as an awakening for all of humanity.

From the revelations of Aurora, dear children, together with the prayer of the heart, you will understand the science of the laws and will be able to unite yourselves with them through the opening of your inner world.

As Mother of the Sacred Philosophy, I want to inspire your hearts so that they are near the precious mysteries that the Father wants to reveal for these times.

My dears, as Mother of the Good, I pray for you and for humanity so that you may walk definitively through the path of light that represents the heart of My Beloved Son. For this, under the Grace and the Mercy of God, the two Sacred Hearts of Jesus and Mary will be present during these days to pray with you, to intercede for you, to learn together with you, to heal and redeem your souls.

The great Divine Fountain is descending for all, for this, in definitive times, assume with the heart the part that the Father, out of love and reverence, wants to deliver to you for the good of all My children. Heaven and the Material Universe will be uniting in these days so that, from Aurora, a great irradiation of redemption, of peace, and of awakening may occur for the whole world.

For this God has chosen, in His perfect Plans, this place of Uruguay, so that from the beginning to the end, humanity awakens to that which many want to see; may all awaken to the spiritual and divine evolution.

The Woman Clothed with the Sun is preparing to gestate the New Being, that which will shine in all throughout eternity, and will allow the new humanity to emerge as spirit. But before it is necessary to continue exercising prayer, fasting, confession and constancy in the spiritual path.

My dear children, more than a yearly celebration for My presence, all will be at the door of a great cosmic and universal jubilation.

On the 8th day of August, the universe will answer spiritually to all who are encouraged to say yes.

I am with you always, I bless you and I love you.

Thank you for being always in My call!

Mary, Mother of Peace and Aurora of the Morning
