**WEEKLY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED AT TAHLEQUAH, OKLAHOMA, UNITED STATES, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS**

My favored children,

On this day, your Heavenly mother is once again facing the inner and spiritual situation of the United States so that, through redemption and the healing of souls, this nation may again find the path toward the Purpose it has lost.

If since the beginning the United States had been a country with open arms, a nation that welcomes, cares for and takes care of the most discarded and vulnerable throughout all of Latin America, I assure you that a large part of its spiritual debt, caused by the commercialization of weapons, would have been placated.

But in these times, in this place as in other places, all we have left to do is continue praying so that certain actions, which this country wants to carry out, may not continue leaving its people under a condition without a spiritual way out.

It will depend on praying hearts, present in the United States, who can create the correct condition so that certain situations may no longer put the country in a place without a way out.

I repeat this again to all My children so that it be very clear to you, that it will be necessary that something be done; it is time to take action, because there are also nations throughout the Americas that are conditioned by the United States, something that nobody has yet risked resolving.

The true sense of equality and of the good is distorted. For this reason, children, I invite you to remain in the exercise of repairing and peaceful prayer so that, in the United States and in the rest of the nations of the world, the peoples marginalized by disorder, conflict and war, which leaves many open wounds, may have the Grace of being governed under a spiritual principle of balance and equality.

From Heaven, your Heavenly Mother intercedes together with Her Son, so that humanity may change in time.

Let us pray so that nobody else suffers.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
