DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Walk barefoot, thinking that you will succeed and that you will be able to free yourself from the past, aspiring all the time to be able to achieve within yourself the manifestation of the Sacred Kingdom of God.

Walk barefoot, imitating me with determination and great courage, with the hope of seeing the Sacred Will of God carried out on all planes and in all consciousnesses adhered to the Plan of the Creator.

Walk barefoot, trusting in the future of something better, even though humanity and the planet are intensely purified, affirming within yourself the victory of Love and the concretization of the Divine Design.

Walk barefoot, stripped of your errors and the lack of successes, free of the chains that might have kept your feet imprisoned.

Maintain the vision on the Purpose, opening all the time the door of your heart so that the Light of the Kingdom of God can be established.

Walk barefoot, trusting in the unknown, in that which is to come and in that which renews, freeing yourself from planetary captivity and the condition that ties human beings to the past.

Discover, within yourself, the eternal present and in this way, unite with the Greater Universe, allowing that, at each new step, you may carry out that which the Universe awaits to be realized.

Keep your faith in the Highest, for from the Highest will come the help for each new challenge.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master, Christ Jesus
