APPARITION OF THE VIRGIN MARY IN THE CITY OF CARMO DA CACHOEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARIES FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS AND SISTER LUCÍA DE JESÚS

Friar Elías del Sagrado Corazón de Jesús transmits the Words of the Virgin Mary:

Today I have come from Heaven to be with My most humble children, and in this poor place, I find a place so like the Manger of Bethlehem, where My beloved Son was born two thousand years ago.

Into this oratory which is being built today in your hearts and souls, the Lord pours out His Mercy, His Rays of kindness and of love over those children of Mine who have most need of God.

Through you, dear children, your Mother brings all the Graces from Heaven to be able to strengthen your hearts, spirits and souls in the definitive times that will come.

And with simple, but very loving words, words that are born of My Immaculate Heart, I build the Celestial Church of My Son in all My children of the world so that He, when He returns, may find a dwelling place, a place where He may rest and be, so as to unite with souls in communion and in life.

Once again, your Heavenly Mother gathers together all Her children, of this city and from all parts of the world, to be able to consecrate you again to My Immaculate Heart, placing My Celestial Mantle on each of you, placing My Holy hands on you so as to be able to plead with My Son for a last and sacred opportunity for this humanity.

I would like all of you, dear children, to open your hearts even more to be able to feel the presence of My Divinity, which emerges from an Infinite and unknown Source from where everything has begun, from where God thought of creating the universes and everything that exists in them.

You, My little children, are integrated into a universal life, into a macrocosm where this planet also emits its vibration and its light, beyond the confines of this universe.

Thus, when your prayers are true and done from the heart and with love, the waves of those prayers reach the whole universe and great mirrors of Light, which your Heavenly Mother manifests, use them to radiate Love to the whole universe. They capture your simplest prayers and onto the Earth refract the Love that humanity needs to be able to heal and thus expand its consciousness in these times.

For this reason, beloved children, today not only your hearts and families are benefited, but also the whole universe, everything that exists in the universe. And in this way, the Sacred Alliance between souls and God, between the Heavens and the Earth, between humanity and the stars, is established.

I come to teach you in these times what your beloved Celestial Mother learned more than two thousand years ago; when She was among you, praying for the world, imploring the Celestial Father, and through the sacrifice of My beloved Son, in which it was granted I could be present, throughout time and the centuries to guide My children of humanity on a correct and sure path that

could take them to the Heart of God.

In these times, dear children, in which humanity suffers too much, as well as the Kingdoms of Nature that are suffering silently for the world, I invite you to experience this simple celestial knowledge through which today, your hearts, and especially your souls, have changed into sublime mirrors of prayer to be able to heal the deepest and most inner situations in yourselves, and also to be able to help humanity of the surface, in each place of this world that, on this afternoon of light and love, received it from each of you.

I invite you to lift up your consciousnesses and imitate the path of your Celestial Mother, not only through experiencing the Sacraments and your presence in the Holy Church, but also through the prayer of the heart, which will protect you in these times, will bring you discernment and wisdom, and through it, you will solve impossible things, because in the simplicity and the humility of your hearts, you will be united with My maternal Heart.

Sister Lucía de Jesús transmits the Words of the Virgin Mary:

There are many things, many mysteries, that My Heart must reveal to you in this time. But for that, My children, I need you to unite with Me in a simple way, through your most sincere prayers, not only so that you may obtain material things, health in illnesses or intelligence.

I ask, My children, that in these times you unite with My Heart to pray for the planet, for the Kingdoms of Nature, for this city and for all the cities of the world that are so far from God.

Today, your Celestial Mother comes to this place rejoicing, in fullness, because from Heaven, I saw your open hearts, preparing the way so that I could reach here. Although My Presence is a great mystery to you, I want to be visible to the eyes of your hearts, I want to be in your homes, among your families, making of your lives a great cenacle of love so that, through you, a greater time of peace be granted to the world.

Today, I awaken the mirrors of your hearts. This is one of the mysteries I come to reveal to you. Rather than to seek to understand, feel, My children, that Divine Light that is ignited before your hearts, that strengthens your essences, that brings a healing that does not come from this world because it seeks to heal the roots of human errors.

Feel this little mirror which is ignited today, in some for the first time, but which I hope, My children, will not be the last, because I want to make of you true suns on this Earth, that illumine the hearts of your brothers and sisters when they are dark, and that you will be able to show the path when humanity is blind and lost, without managing to find God.

May this little light that I ignite today in your essences and make reflect in the mirrors of your hearts, be perpetuated and transform into a bridge that unites your hearts with Mine so that, in this way, beloved children, you know to come to My Heart, although My Voice no longer resounds in this world.

I want to make this city an example for the cities of the planet, because it is with simple hearts that God performs the greatest miracles, as He did with Mine, My simple and humble Heart, when I was on Earth; as He did with Saint Joseph, a humble carpenter of God; revealing the greatest celestial

mysteries to Us and making Us guardians of a Plan that God has for all of humanity.

Today, My children the Books of the Universe open to re-write a story, a new beginning in your lives. All you have to say is 'yes' to Me, for in this way, I will erase that which was written in twisted lines and of your lives, My children, I will make a story of redemption and of rehabilitation to be written in the Sacred Books.

I know that many do not understand what I come to tell you today, but keep My Words in your spirits, because when they are sufficiently mature, you will be able to understand what I told you here today.

Friar Elías del Sagrado Corazón de Jesús transmits the Words of the Virgin Mary:

Thus, in you I come to build what you have never experienced, so that you may enter into a new life.

What I need, dear children, is that you open your hearts every day, just as you opened them today. Open the doors of your homes so that they may become oratories of light and this city be lifted up as the city of the New Jerusalem.

Today I am with simple children, and I would like to ask you, My beloved children:

Do you accept consecrating your city to My Immaculate Heart?

Do you accept that I make of this city a new city?

Do you accept, dear children, receiving pilgrims from the whole world?

For all that, we must pray, because shortly, your lives will be transformed, and you will not recognize yourselves.

Remember, dear children, that as of now and until I return here, on a new date, your lives will have changed a lot if you just pray with Me, as you have prayed today for the triumph of My Immaculate Heart.

Now you, at the Doors of Heaven, will together with your Heavenly Mother, experience the consecration of new Children. Let them approach so that I may give you the blessing, future Children of Mine, of My Immaculate Heart.

Into your hands receive and hold in your hearts the Grace that I will give you today.

Place your hands in the sign of reception.

"Celestial Father, today I not only consecrate those who wear My Mantle of Light, but all Your children, all those who have need of You to be able to live in Your Trust and fullness."

From this city, and especially from all your souls, I wish for new Children of Mary, just like those being consecrated today, so that in Brazil I may weave a great network of light, prayer and instruction that reaches more hearts that will be touched by My maternal Love.

"Father, to Your children and all Your creatures, grant this Grace to those who awaken to their mission, those that seek communion with My Son so that in this way, they can concretize a healing and redemption of hearts."

Dear Children of Mary, from My hands receive the Sphere of Light of the Celestial Universe. Carry your hands to your heart.

I leave, grateful for the many efforts, by the care and dedication of each heart that has given of itself to make this meeting with the simple souls of God possible.

I bless you, I consecrate you and absolve you, under the authority of My beloved Son, so that your hearts may live in faith, form groups of prayer and believe in this city as an Island of Salvation.

In the name of the Father, the Son and the Holy Spirit. Amen.

I rise up to Heaven, listening to your voices and carrying in My maternal Heart the pleas of My beloved children.

I thank you for responding to My call.
