DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF SAN ESTEVE, SESROVIRE, CATALUÑA, SPAIN, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

I come to the world to free it from its ties, to remove it from its prisons, to carry all My children into an eternal awakening.

I come to the world to return the hope lost by the human heart, to give spiritual life to everything that is already inwardly dead.

I come to the world to plant the seeds of the New Humanity and to carry My children to submerge into the Source of Purification.

I come to the world to testify to Love so this Love may be alive among creatures that do not yet love each other.

I come to the world to help dissolve sin and so that joy may return to wounded and saddened hearts.

I come to the world for those who call Me, for those who wait for Me and for those who seek Me in their small lives.

I come to the world for those that cry out for Me, for those who ask God, Our Lord, for a Greater Grace.

I come to bring peace every day and to grant My children the moment for their redemption.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
