WEEKLY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED AT THE GRAND CANYON OF COLORADO, ARIZONA, UNITED STATES, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

My dear children,

Today your Heavenly Mother comes to the world so that, through the majesty of the Grand Canyon of Colorado, humanity may for an instant feel the Attributes of God flourish so that, from now on, the coming of the New Earth may begin to be seen upon the horizon, free from human mistakes and free from the suffering that drives My Children away from God.

For this spiritual reason, your Heavenly Mother and Mother of North America is here today, opening Her Arms and offering Her Hands so you may hold them tight, trust and feel encouraged to follow this infinite path towards the unknown, because in that which is unknown you will find God and Our Sacred Hearts which, once again, present themselves to the world to remind it that it has not yet fulfilled the Will of God.

In order for the New Earth to begin to emerge upon the horizon of the human consciousness, I ask you, My children, that this New Earth, this New Humanity, may be lived first within you, protecting from yourselves the principles that unite you to the Creator and to the entire Divine Brotherhood.

Be bearers of the Sacred Love of My Son.

Be an example of constant transformation, but also be an example of perseverance, hope and, above all, of Love, of Christ's Love that allows you to accept and understand others, a compassionate love that no longer allows human beings to be selfish and autonomous.

Live the promise of this New Earth in your daily lives and create the correct condition for this moment of the New Humanity to be able to arrive, just as the Eternal Father had thought of and felt for it.

My Heart of a Mother will always be this bridge for you to feel encouraged to cross it, towards the emptiness of self.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
