SPECIAL APPARITION OF THE GLORIFIED CHRIST JESUS IN FATIMA, PORTUGAL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Do not miss the opportunity of growing by My side and demystifying your consciousness, so that one day you may find the Truth, the Truth that lives inside of you, the Truth that waits to awaken and in this way, show itself before your eyes, revealing the true mission and the true Purpose God has sent you to fulfill in this time and in this humanity.

I will not ask for the impossible, but rather what is possible.

I do not need great developments, but rather small challenges that can be true and are born of the heart.

I have waited until this time and until this day to tell you I will change your consciousnesses, in manner and place, in sense and perception; and whomever does not want to experience it, will be free as they always have been. My Heart does not bind anybody, My Heart grants Peace and Truth.

I Am the Way that shines before the eyes of humankind. I Am the Path that shows Itself in the transparency of life and in the conception of new principles that make of their beings, beings of good.

You are facing the scenario of a definition, as is the world, as all humanity experiences it.

I know it is not easy to surrender the self nor be humble, but the resistance could break so that My Light is able to penetrate and transform everything.

I offer you the Path of Love rather than the path of pain. You are beings that have already grown enough to be able to respond to the Plan.

I do not need you to be the same as Me, I only need you to be in Me so that, at this acute time, I can Be in you.

In this place I wish for many communities and more inhabitants of My Christic and redemptive Path. It is just performing the correct movement and having the correct attitude, and this also will transform the world and its humanity, above all, Europe.

The Graces of the Projects of God have yet to descend. The Currents of the Universe will descend to help to concretize them or to be omitted, as many more omit them, day by day.

The Kingdom of God is in the small, and you can do the small so the Kingdom of God may manifest.

Do not fear the challenges. Do not fear the conflicts. Fear not to be able to love more, just as I love you. Fear not to be able to be transparent, just as I wish to see you transparent in spite of imperfections or of errors.

I need your beings to be true, so My Project in you may be true.

The time indicates a new direction. The Work points to a new step and it is time to act so that your Lord can place His Feet in Portugal as well, and in this way, sanctify the soil that has been assaulted by humankind and their ignorant powers.

You have been called to change part of the story of this humanity and in this part of the world.

The Treasures of Heaven wait to be revealed to humanity and to its consciousness.

You already have the keys, you just need to open the correct door so that all may happen as has been foreseen.

I offer you this Communion as a testimonial of the Love I have for each of you, although it may not seem so; and I hope your hearts continue to search for the path of repentance for those who do not search for it, in this scourged Europe that must be reborn to its true spirit and its true conception.

I ask simple but profound things of you. I do not need you to be heroes, but rather My servers, My true servers, in this crucial time for humanity, in which the light is going out more and more within creatures; and you, as so many others, must be that ignited flame of unconditionality, of service, of good, of acceptance and openness to others, to those who suffer.

From the beginning, God gave you the Grace of knowing Lys and of feeling its essence and its energy. You must be forerunners of that Legacy and cannot place barriers so that this does not come to souls. You know what I am speaking about and understand what I am telling you. If I do not tell you the truth, you will not be able to be true someday.

I invite you to fulfill the Will of God, in brotherhood and in attunement.

Two thousand years ago, on a Holy Thursday, I took the bread and gave thanks to God for being with you. The Spirit of the Father blessed the bread, changing it into My Body. And today, I tell you again to take and all of you eat of It, because this is My Living Body, which was sacrificed and died for you to grant you the Grace for an opportunity and for redemption.

In the same way, I took the Chalice, and gave thanks to God for that sacrifice and for being with you and in you. The Spirit of the Father blessed it. And today, I tell you again that all of you take and drink of It, for this is the Chalice of My Blood, which was spilled for humankind for the forgiveness of sins.

Today, cleansing your hearts with the Precious Blood of the Lamb, I invite you and call you to a renewal so peace may be granted to the world.

Prayer: Our Father (in Aramaic)

Lamb of God,

Who takes away the sin of the world,
have pity on us.

Lamb of God,
Who takes away the sin of the world,

have pity on us.

Lamb of God,
Who takes away the sin of the world,
give us peace.

And like the Roman centurion, you will repeat the phrase that reverberates through time, and which makes you worthy for Me to be able to enter into you:

Lord,

I am not worthy for you to enter my house,
but a Word from You will be enough to heal me.

Amen.
(Three times)

And now that I have cleansed your hearts and souls, celebrate the Presence of the Lamb of God and the renewal He brings you through the Sacrament of the Eucharist. Together with the angels and archangels of Lys, let us celebrate this moment in the company of the Most Holy Mary and of Saint Joseph.

Friar Elías del Sagrado Corazón de Jesús:

We will intone the Melodic Kodoish several times.

Our offering is lifted up to the Feet of the Creator and His Most Holy Celestial Church so that offering may become Grace and Mercy for the world.

May the Peace and the Love of My Heart permeate you, so the planet and humanity may be permeated by Peace and Love in these critical times.

Let the Scepter of God triumph on Earth and let the standards of the peace-bringers of Christ be lifted up to decree the descent of the Kingdom of God to the Earth.

Again, I give you Peace, for you need it. Always seek to be the peace in every place and on every occasion.

I bless you in the name of the Father, the Son and the Holy Spirit. Amen.

In a spirit of hospitality, give each other the greeting of Peace.

I thank you!
