DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED DURING THE TRIP FROM THE MARIAN CENTER OF AURORA TO MONTEVIDEO, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Dear children,

Everything you see in the world, in this time, is the grave result of the self-destruction of spiritual life in humanity. Few are the things spiritually preserved today in the conscious awareness of humanity; for this reason, the aid of Heaven for the planet is immediate and urgent, to avoid more consciousnesses going on the path of error.

Thus, children, with Eyes of Compassion and Mercy, Your Heavenly Mother contemplates all these situations, and prays, hoping that someday your consciousnesses awaken to the Call of God.

Dear children, in light of the immensity of the universe that surrounds you, Your Heavenly Mother implores of Her Son to pour out His Infinite Mercy, so that at least the essences and souls may be freed from the sea of confusion and blindness, the effects of a materialistic and scot-free life.

But now, the Universe sends the Mother of the World as spiritual Mediator, so hearts may receive the last Grace of entering the Kingdom of Adonai and do not miss knowing the grandeur of His Fatherly Love.

Children, that Love is what has, through the invincible Grace of My Son, allowed the influences of My adversary to be banished from many souls.

For those who get lost, it is enough to pray and wait for a touch of Divine Grace to reach their hearts.

Remember, the opportunity is for all My children.

I thank you for responding to My call!

Who keeps you in Her Lap of Light,

Your Mother, the Virgin Mary, Rose of Peace
