WEEKLY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED IN NERJA, MALAGA, SPAIN, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

My dear children,

On this radiant day, by the Solar and Eucharistic Presence of My Son among you, as Mother and Pilgrim, I approach you, My dear children, so that in perpetual prayer we may continue to pray to God through the light of the heart, for all urgent causes that need divine and spiritual intervention.

For this purpose, today your Celestial Mother and Holy Queen of Spain, with the Scepter of God, banishes oppression, which throughout the centuries My slave children of Africa and the Middle East have experienced.

Today, I am here as the Mother of the shipwrecked and those who have disappeared. I am here as a Mother who cries with the mothers of war and the mothers who have lost their beloved children and relatives in the earthquakes.

I come, in the name of the Most High, to close the great spiritual and regional wound that has not yet been healed since the terrible earthquake in Syria and Turkey.

As My Son told you yesterday, I come as Mediator and Intercessor to elevate to Heaven those who were discarded in the Mediterranean Sea and those who have gone missing in Turkey, Syria, New Zealand, Japan and Brazil in these recent days.

Dear children, does anyone else hear the cry of Mother Earth and all her elements?

This is why I came last Saturday, to ask the world for sincere penance, true repentance and deep reparation, so that the outrages of war and the fury of nature may no longer take place in the world.

Therefore, now and more than ever, seek inner balance, seek to be peacemakers of Christ and, with your prayers, in service, embrace and love all those who suffer, for this is the hour when the prophecies announced by Christ to His apostles, before His Ascension, will be fulfilled.

Pray for your families and for the families of the whole world so that the sacred cell of the Project of God may no longer become a model of lack of love, betrayal, revenge and hatred.

It grieves My Heart to see the present and sad situation of families. I ask you to truly pray.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
