MESSAGE FOR THE APPARITION IN THE CITY OF MINAS, LAVALLEJA, URUGUAY, TRANSMITTED BY MARY, MOTHER AND QUEEN OF PEACE, TO THE VISIONARY SISTER LUCÍA DE JESÚS

I want to call by the name those of My soldiers who must answer to the commitment that they have with Me and for this, My voice echoes in the interior of your beings as an unknown impulse that invites you to prayer, to service to the most in need, to reconciliation with your families, and to the understanding towards the other. These, children of Mine, are the manifestations of My impulses in their hearts.

I want to build in My children the principle of the new life which will not be in any way unattainable by the souls of this world.

I just ask you for prayer, to strengthen the spirit, to purify the past and to generate merits for the redemption of the souls and of the whole world.

I ask you for fasting to balance the injustices of the world.

I ask you to be peacemakers, to break for good the chain of evil that ties humanity and impedes the evolution of all the kingdoms of nature.

I ask you for reconciliation, to open the doors to new opportunities for the souls.

I ask you for fraternity, to build the basis of the new life upon the Earth.

I ask you for love, so that it may be the air that will breathe the new world and without which this universe will not be able to exist.

I ask you for conversion so that you may stop being what you are and abandon the impulses that this world has built in yourselves, in order to be just like what the Creator has thought, living in this way all the principles that today I have delivered to you.

Is it too much what I ask you?

With everything that the Celestial Universe has delivered to you, just follow the words of those who were sent by the Lord and, in this way, all the Graces that I have deposited in your essences will be able to sprout, grow, bloom and bear fruit so that other souls may reach the same awakening or an even deeper one.

My beloveds, listen with attention to My words and seek between the lines the truths that in other times I did not reveal to the world.

This humanity has already been in evolution for a long time. The moment has already come that a new and very great step may be taken by the consciousnesses of this world, and for this, it is necessary to be open of heart and to know that you know nothing.

Trust in what I tell you and in what I will tell you in the times that will come. I want to prepare you for this end of cycle so that the events may find you ready.

Do not despair. Do not seek for solutions outside of the heart. The only preparation that I ask you is prayer, fasting, peace, reconciliation, forgiveness, love, and fraternity among the beings. Thus, you will be able to cross the old time and to enter into the new time that will lead you.

Do not forget, My dears: pray, serve and act always with love.

These are the keys for the times that will come.

I love you and bless you,

Mary, Mother and Queen of Peace
