APPARITION OF THE VIRGIN MARY IN FATIMA, PORTUGAL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS ON THE OCCASION OF THE 9TH ANNUAL MEETING OF THE CHILDREN OF MARY

In the name of the Father, the Son and the Holy Spirit. Amen.

Through this meeting today, you have removed many thorns from My Immaculate Heart. This Heart is no longer bleeding due to the pain and suffering for My children, though the world is in darkness.

Today, this Immaculate Heart of the Most Holy Mother of God is illuminated and re-ignited through the prayers of Her children, of all Children of Mary.

But this event, which happens today within My Heart, is not only due to this moment which you have, in honesty, mysteriously lived with Me and through Me with God; but it is also due to all moments that you have shared with Me in the prayer of the heart, which prepared this event in the most intimate and profound part of My Maternal Heart.

I know you will not understand what this means. Thus, I come today to expose My illuminated Heart, to demonstrate to God the response of His Creatures in this world, of those who foster peace and the good in humanity and unite to all brothers and sisters of this planet, regardless of religion or beliefs.

Because the center and the energy that unites all of humanity is the Love of God, something that the world is losing, and it is a commitment from you: being able to recover it every day, first of all through your sincere acts of love for those beside you or even within your families, because you know in which situation the families of humanity are in, subjected to ideologies, hypnotized by technologies and put to the test at each moment of life.

Therefore, through sincere and honest prayer, every day until My Beloved Son returns, you must have your families be this spiritual cell that God needs in these final times.

Protect the values of the family of this humanity, even from your very selves, the values that in these times are being eradicated and rooted out through a so-called freedom that comes from many people in this world, deceived by My enemy, deviated from their spiritual paths and their Purpose.

These are the thorns that you have removed from My Maternal Heart, through the prayer of all Children of Mary. In this way, I can count on you in each task and request that the Father makes to Me to protect His Project of humanity.

And although everything in this world moves hastily, I only ask you to stop and think. In these times, do not decide impulsively, do not allow your minds to deceive and confuse you. Before everything, enter the sacred universe of prayer, as you are doing at this moment and have done at other moments. Thus not only will your consciousnesses be united to the Heights, to the Source that many still do not seek today, but you will also be protected and supported by the sacred spiritual energy of prayer.

Today, I would like to thank the Grace Mercy Order and all collaborators of the Marian Centers, who make the sincere and honest effort of elevating the values of divine spirituality on the surface of this humanity, through the hidden life of the Marian Centers, sacred epicenters of Light of the Spiritual Hierarchy, which mirror gifts, attributes and Graces upon those who seek them.

The pillars of these Marian Centers are My children. A Center of Grace and Mercy cannot sustain itself without the constant presence of all Children of Mary.

This is why I maternally want to tell you that I have been having the great joy, throughout these last years, not only of seeing the Marian Centers being concretized as Islands of Salvation, but also of contemplating, with love and joy, each moment of liturgy shared at the Marian Centers, each offering that was made by each one of you, regardless of your purifications and of your deserts.

Although it does not seem so, all the Marian Centers and Sanctuaries of the world were opened by Me so that souls might drink from the Source of Healing and Reconciliation.

Therefore, I ask the brave warriors and stewards of the Marian Centers to never give up. At each passing day, the hidden life of the Marian Centers will be more necessary and urgent for souls.

You must allow the Spiritual Source, that is open at each Marian Center, to never close, because little by little, day by day, week by week, you have seen for yourselves the serious thirst of the souls that are far from God and in conflict with Higher Love. Therefore, your welcoming, reception, attention and, above all, kindness for the pilgrims, is something that cannot be understood in these times.

This is why I ask you now to be attentive to the signs that I will send through the pilgrim hearts, because they are My children too, they are Children of God who deserve the same redemption that you are receiving. They need to be before the Fountain of Grace, just as you have been many times.

See what modernity does to My children. Could you be more united to Me, despite everything, just as the Hierarchy is united and concentrated on God, in the face of the hardest hells of this world?

You must not miss the opportunities, My children, because My time with you is ending and My Word is not in vain, because I come as the Great Messenger of God, as the Great Mirror of the Father's Love, which comes to include and welcome all creatures, regardless of their spiritual debts, for it is Love and Grace that converts what is impossible into something possible, transfigures darkness into light, and redeems perdition into freedom.

Today, I want to withdraw from here with this feeling lived and shared with all Children of Mary and, especially with the stewards and guardians of the Marian Centers, because at this moment I have the joy of again contemplating that which each Marian Center has been able to express up to the present moment.

More than your hands and arms to serve the Marian Centers, I need your hearts, loving and peaceful hearts that someday, with the mere presence of My children who guard the Marian Centers, can bless the spaces and make them sacred, just as your Heavenly Mother blesses each meeting and makes it sacred.

To understand in Depth My Message of Love, I will again consecrate, on this special day, new Children of Mary, whom I invite to approach this Altar to receive My blessing.

And while the melody of the Children of Mary begins to resound, your Heavenly Mother, through this simple yet profound consecration, prepares to again bless all of My already consecrated Children.

I invite you to place your hands in the sign of reception, to receive from My Heart the flowers of Light from Heaven, which hold the most beautiful attributes of Creation.

Friar Elías del Sagrado Corazón de Jesús:

You may draw near.

Today, I want to bless these children of Mine, who come to live their consecration on this special date for My Immaculate Heart, when, on March 13 of every year I can present before God the offerings, merits, prayers and supplications of all Children of Mary.

Today I gather here, through this consecration, different nations of Europe called to live the time of redemption through hearts that pray.

I consecrate and bless you, giving you My blessing and a kiss of love.

In the name of the Father, the Son and the Holy Spirit. Amen.

Friar Elías del Sagrado Corazón de Jesús:

Let us all sing the Hymn of Consecration. Let us stand up.

Song: Hymn of the Children of Mary.

We will close this meeting with the Mother of God, a meeting with this Love of a Mother who never tires, who always gives of Herself and shows us the immensity of Her untiring Love, and patiently renews us all through something that is so simple: Her profound, mature and maternal Love.

Thank You, Divine Mother, for all that You give us!

In the name of the Father, the Son and the Holy Spirit. Amen.
