WEEKLY MESSAGE RECEIVED IN THE EAGLE OF LIGHT BUS DURING THE TRIP FROM THE MARIAN CENTER OF AURORA, PAYSANDÚ, URUGUAY, TO THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRASIL, TRANSMITTED TO THE VISIONARY SISTER LUCÍA DE JESÚS

When you stand before calvary, do not be afraid, but try to raise your consciousness beyond appearances and human senses, beyond fears, humiliations, sadness and possible disappointments that the time of calvary can bring to a consciousness.

Do not judge with your human eyes those who will not be able to go through the way of the cross. Do not think of the weakness of those who flee, of the weakness of those who hide from the pain along the way, because calvary is lived at all levels of consciousness, and all beings will live it, even if they seem to flee or hide, they will not fail to experience what they are meant to live during this time.

Therefore, do not judge or question the ways of others according to your understanding, but concentrate your heart on going beyond and loving beyond the cross, as Christ did.

When the Lord walked through Calvary without those who promised to follow Him, His Heart did not judge them, however He knew that within His own dwelt greater pains and deep fears, which were born from the depths of the human condition, and that this very fact of not having been able to accompany the Lord on His Cross would give them the strength to take up their own crosses and renew the Love of God.

Therefore, My child, do as Christ did, who still at the height of His offering on Calvary sustained not only the Cross, but the trial that each one of His companions were living, by denying Him their company before the suffering of Christ.

Imitate the example of the Lord and, even in your deepest sorrows, do not forget those who were left behind so that the step they failed to take may one day be transformed into strength, so that they may be able to offer what they could never give if they were supposed perfect companions of Christ.

May the hope of redemption for all souls always dwell within your hearts.

May your soul always be elevated to the Heart of God and, dwelling in His Divine Consciousness, may your soul be able to comprehend the magnitude of His Ways and opportunities; the Grace that God always bestows upon His Children through the Mercy of Christ.

You have My blessing for this.

Your father and friend,

The Most Chaste Saint Joseph
