**DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF RIO DE JANEIRO, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN**

Dear children,

Seek, above every difficulty and problem, the path of serenity. It is that, which will lead you to find the inner peace that is so urgent for these times.

If in you there is no serenity, how will it exist, in little time, the Kingdom of Peace in the world?

In your prayer is found the shield against every damage or evil. In your pleas there may emerge a path of conversion and of utmost hope. For this, with courage and fearlessly live, through the path of serenity, the end of these times that arrive. This attribute is part of one of the petals of My White Rose.

Today I reveal to you the importance of always seeking serenity so that all of you, beloved children, may be prepared to live the great moment of your purification.

With the inner church rebuilt, I am giving to you for this time, the secure keys that will assist you in the critical moments that your humanity is living.

Beloved children, serenity is a door to the path of redemption and of divestment of oneself. In serenity many things can be understood, and many disturbances can be dissolved by the action of the loving serenity.

Children, do not waste time in your difficulties, the planet is being dimmed without being able to see the Light of the Creator. Restore your lives and your difficulties in the presence of serenity; thus you will know peace and you will make it part of your lives. And each time that you may be distancing yourselves from the path of serenity, you will know how to return through the same pathway.

One of the reasons for the lack of peace in the world is the absence of inner serenity. There will be no other formula, children of Mine, but to seek the sacred attributes and to practice them, because the time for theory has passed; it has arrived the time to practice My messages with total consciousness.

Whoever unites to My Immaculate Heart will not get lost, I will always bring you to Christ.

I thank you for answering to My call.

Who unites you always,

Your Mother Mary, Rose of Peace
