Daily Message of the Virgin Mary, Rose of Peace, in the Marian Center of Figueira, Minas Gerais, Brazil, transmitted to the visionary Friar Elías del Sagrado Corazón de Jesús

Today I come to announce to the world that your Celestial Mother is withdrawing more and more into the desert that Her Eternal Father destined for Her, waiting for the next happenings which will reach the world, so as to be able to purify it and prepare it for another phase of spiritual work.

In this sense, dear children, I come on this day to close a spiritual stage with one of My visionaries, since from the beginning, when she was called, she was formed and prepared by Me. But now, the Will of God has already been fulfilled and I was close to the visionary during the time the Father had considered.

And so it is, dear children, that through the last times, I gave the world this visionary, Sister Lucía de Jesús, as a precious instrument to draw Divine Instructions from Heaven.

Now that your Heavenly Mother has accomplished Her duty with this soul, I will only stay until the end of times accompanying, guiding and instructing the world through Friar Elías del Sagrado Corazón de Jesús, who ten years ago I called to accompany the Mother of God on this Planetary Mission, together with Mother María Shimani de Montserrat.

Thus, I need the first visionaries, who on August 8th of 2007, saw Me in the olive groves of Aurora, in Uruguay, to return to the beginning of this task, accompanying the withdrawal of the Most Holy Mother, Who will continue to work in the world through a single instrument. This has been asked of Me by My Celestial Father, and in divine obedience, we will fulfill it.

The Work of the Divine Messengers has several stages; thus, this is the first stage or cycle that is closing, within the defining period of the end of times.

For this reason, up till now, your Celestial Mother continues to appear daily to the same visionary, since throughout these years, I am preparing him for something greater, with a humble spirit.

I would like you to continue praying for the instruments of God, for those whom Our Father asks to awaken so as to move forward with such a risky mission, such a daring surrender and such a purpose to fulfill that it would seem impossible. But at My side and with the companionship of My Motherly and Immaculate Heart, everything will be possible.

Remember again what I told you once in Aurora ten years ago: "Many will begin to accompany the first visionaries, but their mission will be to close the cycle of this Work in profound and inner solitude".

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
