APPARITION OF THE GLORIFIED CHRIST JESUS IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESUS, DURING THE 113TH MARATHON OF DIVINE MERCY

In the name of the Father, the Son and the Holy Spirit. Amen.

If you enter Me, you will enter God and know the Great Creative Consciousness, the Sublime Purpose of God, which conceived the First-Born Son so that He might incarnate on Earth and bring His Message to the world.

This is why My Spiritual Retreat is so important, the one founded in the Holy Land through the experience of your Master and Lord, not only for His apostles, but also for all those who would come after them throughout the times, throughout all the generations.

The vibration of this Retreat is unknown, but souls can feel it within themselves when they enter into communion with Me through the Sacraments, through perpetual union with the Sacred Heart of the Lord.

This Spiritual Retreat comes at this time to reveal itself to the world, because this is the time of the last apostles, those who say 'yes' to Me, to concretize My Plan on Earth, to carry out the last Projects of the Redeemer.

Through the great spiritual consciousness of My Retreat in the Holy Land, souls find again the path toward the Inner Christ, by listening to the Great Call of the Universe.

This Call you once heard and that, in this end time, you hear again to remember it and in this way remember the commitment you have to Me in this Redemptive Work of the Lord, as a preparation for His Great Return to the world, for the fulfillment of His promise, made after His Resurrection.

These treasures, which I bring to you today, are treasures for the spirit of each one, which in trust I grant to your souls, so that they may become a temple, a living temple for God, and may also, by means of your transformation and redemption, transform and redeem the world. Because to carry in yourselves My Sacred Spiritual Relics, companions, means a commitment to the Lord of the Universe.

Because you will have to represent on this surface, a Legacy that comes to hide in your cells, through your purification, bringing to you in essence, the Christic Life, the emergence of the last Christs, who, in any part of the world, must represent the Lord, paving the way, the path, for His Return.

This is why you must live the great transformation, so that someday you may represent Me fully, in the face of all that must yet be done for this humanity and on this planet.

Because I want to state to you that the mission has not concluded, and that this mission will be concretized and completed through the last Christs, who will give the example in that which is small, in that which is silent and anonymous, in that which no one can recognize, only a prayerful

heart can recognize it, just as the Heart of your Lord recognizes it.

In this way, I come to establish the great scenario through My last apostles. This scenario which is My Plan, My Project and My Aspiration, to be fulfilled in the end of these times through the souls that sanctify themselves by means of their surrender, love and service to God.

Because it is there, in what is most hidden, in the heart of each soul, in the life of each spirit, that the much-awaited New Earth will begin to emerge. It must first emerge within, and then be a reality on the outside so that all souls can recognize it.

All souls need to be purified to be part of the promise of the Son of the Father, just as your Lord was purified in the Temple. If this had not been so, your Master would not have been able to carry out His public life.

This is why all that the Father grants to you, even that which you must purify and transcend, is part of a path of Christification, rather than of suffering. It all depends on each one, on how each one contemplates and observes it, whether it will be a path of victory or a path of suffering.

That is how you will begin to learn about duality and how to transcend and transmute it, first within you, and then by helping transmute this duality in the whole world. This is a task that is still unknown to most.

This is why it is important to have inner communion with Me, so that you may live under this Law, which will be highly active in the end of these times, because without the Law of Transmutation and Purification a New Earth or a New Humanity will not be able to exist.

But I bring you the spiritual support that you need, to dare to take the steps toward My Heart. This spiritual support, which I grant to you, is the Legacy of all My Relics and experiences, as well as the Legacy of the Patriarchs and Prophets who also lived their path of Christification and redemption, and learned to love the Plan of God, by knowing it first in themselves and contemplating the Supreme Will of the Father, so as to understand, at some moment, what it means to carry out this Holy and Divine Will.

These Spiritual Relics of the Sacred Retreat of Christ come to impel you to achieve a state of perpetual communion so that, in this state of perpetual communion, your inner beings may be quite attentive and vigilant to the signs of the Return of Christ.

Because at first these signs will not be so visible. These more invisible signs will come for the chosen, those who have dared to become divested of themselves and surrender their lives in the Hands of the Redeemer.

But My most impactful signs will also be fulfilled, so that this transformation of the world may be achieved and this hope may also be established in it, which will lead humanity to redemption.

You must keep in mind this moment of transition which all are going through, by participating in all that is happening in the world, becoming aware of the need of souls and above all of nations, so that they may fulfill their Spiritual Purpose, just as Brazil must fulfill it.

For this reason, I Am here. This is the first reason for the special visit of your Lord to Brazil, from Israel, bringing the Spiritual Relics of the Ark of the Holy Covenant, contemplated at this moment

by the Hierarchies of this Center of Love.

Will you measure up, companions, when it comes to contemplating this unique moment that I bring to you, just as the Hierarchies contemplate the Ark of the Holy Covenant, exposed with all Its divine and cosmic knowledge, radiating all Its principles and attributes, generated by the Creative Source, in all directions of the planet through this Center of Love?

Thus, your Shepherd and Redeemer comes to renew the Tree of Life, through the Tree of Figueira. He comes to tell you that the times of change have arrived and that you, as branches and leaves of this Sacred Tree of Figueira, must also change so that you may follow Our principle and Our energy, so that you may accompany and adhere to Our universal task. This is the offering that you have accepted, just as your Instructor José accepted it, in an unconditional and immediate manner.

The change I speak to you about is the total opening of your minds, above all your hearts, to the emergencies of these times. It is the opening of consciousness to recognize the suffering in your neighbor and live under My Law of Compassion and Mercy.

I speak to you of this, companions, because you are not fulfilling it. I have come from Israel to say this to you, because you are still in time to change and, through your brothers and sisters, recognize Christ Himself, who speaks to you today.

In this way, you will help your Lord to relieve the suffering of the world in a real way, rather than in an illusory way; to be side by side with Me, forming, in the end of times, the Commands of Christ the Redeemer, without stepping back or fearing anything, being ready and available to be where needed and whenever necessary, to eradicate from yourselves any complaint.

Because an apostle of the end of times does not complain. An apostle accepts the cross they do not deserve, carries it with them as if it were their own, doing it for Me at each step and at each moment.

I speak to you in this way, companions, because there is no time left, and the emergency is ever greater in all senses and ways. Because a knock will be heard on your door. Will you open it to your Lord?

Therefore, you must be in My Love, to identify the signs and recognize them. To know when you must respond with wisdom and discernment.

I come here to deposit My spiritual Legacy, through the presence of the Ark of the Holy Covenant at this Sacred Center of Love. For the Hierarchies were waiting for it, and the soul of this nation was also waiting for it, just as the Angel that governs this country, who is sustained at this moment by your prayers, so that the Project that is destined to be carried out here may be fulfilled as it is written in the Heart of God, although humanity may try to change it.

Brazil is the cradle of the New Humanity, where all cultures and expressions of the world unite, because this country was formed, since the Indigenous Consciousness, through Love-Wisdom.

The heart of Brazil must not die, its soul must not be enslaved. This is a country of hope and rebirth, a space and place where everyone will be able to meet Christ as He places His Feet on this ground, when He returns.

Therefore, the offering must be mature, conscious and, I might even say, responsible. Remember that I do not come to ask you for something impossible. If it were not possible, you would not be able to listen to this Message today, packed with the highest degree of the Love of Jesus, so that your dormant cells may awaken and you may be firm as warriors of the Plan.

So that all this may be possible, companions, and My Spiritual Retreat may echo even more in each human heart, in the innermost depths of the spirit, I come to offer to you Graces through the Sacraments and especially through the Sacrament of Communion, knowing that it is a moment of renewal of the inner vows, reparation and of a great encounter with the Source of My Mercy.

For this reason, I will celebrate Communion for you today, so that, just as My apostles and once again, you may receive the impulses of Light and Love of the Retreat of Christ, preciously comprised of the souls that respond to My Call.

Let us celebrate.

Friar Elías del Sagrado Corazón de Jesús:

At the request of Christ, we will do an exercise at this moment, while we prepare for the celebration in His Presence.

Each one of us, in the greatest possible physical, mental and inner quietude, will sustain this moment in inner prayer, knowing that the Lord is present here, waiting to celebrate the Eucharist with us.

In reverence, just as He has asked, we will prepare for each cell of our beings and each atom of our bodies to receive this impulse of transubstantiation, which comes from the Sacred Retreat of Christ.

We remain in silence, as He has asked of us, open to His Presence, His Love and His Wisdom.

We invite those who can, to kneel down or stand up.

May My Words purify your lives and hearts so that the advent of the New Race may be fulfilled, and for eternal peace to be established in the world.

Thus, before My Sacred Heart, recognize at this moment your faults, omissions and indifferences, and, in an act of profound contrition, make reparation for this moment in the silence of the heart.

Thus, I come to renew you again, giving you the testimony of My Life through the surrender of My Body and My Blood for the world. Therefore, I come to celebrate the Eucharist with you, just as I celebrated it with My apostles or with My disciples in Emmaus.

I come to break and share the Bread of Life. I come to give you to drink from the Chalice of Redemption and Mercy, so that souls in the world, in this month of May, may receive the spiritual amnesty they need to attain the ocean of My Mercy, to unite again with the Eternal Fountain of the Father, in communion with all the angels and blessed ones.

Thus, I celebrate this Sacrament again with you, and I ask you again to enter the inner cenacle of the heart, just as My Holy Mother and the holy women did, in perpetual contemplation.

At the altar of My Celestial Church, we offer this moment for the redemption of the world, for peace in humanity and in nations, for the salvation of those who are lost and forgotten, so that this sacred people of Israel may remember its commitment to the Father and, above all, to His Sacred Project, which you will be able to renew with Me today through this Eucharist.

Thus, I take the bread in My Hands, raise it to the Father, asking Him to convert it, through the angels and archangels, into My Glorious Body, which I break again so that it may be shared with you, reminding you that this is My Body, which was given for humanity for the pardon of sins.

We praise You, Lord, and we bless You.
We praise You, Lord, and we bless You.
We praise You, Lord, and we bless You.
Amen.

Friar Elías del Sagrado Corazón de Jesús:

We revere the Presence of the Body of Christ at the altar.

In the same way, I take the Holy Chalice in My Hands again, and offer it to the Eternal Father, so that it may justify, through the surrender of Christ, all errors of the world, especially those errors that place humanity at uncertain doors.

This wine, once blessed and converted into My Precious Blood, I pass it again to Mine, saying to them, "Let all take and drink of it, this is the Chalice of My Blood, of the new and eternal covenant between souls and God, the Blood of the Lamb, which was shed for the remission of all faults." Do it today in remembrance of Me, until I return.

We praise You, Lord, and we bless You.
We praise You, Lord, and we bless You.
We praise You, Lord, and we bless You.
Amen.

Friar Elías del Sagrado Corazón de Jesús:

We revere the Precious Blood of Christ.

This is My Body and this is My Blood. Blessed are those who avail themselves of this spiritual banquet, which I offer to you today for love and for the redemption of humanity.

United to the Father, the Son and the Holy Spirit, let us consummate this consecration by singing the Our Father in Aramaic.

Song: "Our Father" (in Aramaic).

I announce Peace to you, so that Peace may always be present in the human heart, so that Peace may be present in each space of this planet.

Friar Elías del Sagrado Corazón de Jesús:

We announce the Peace of Christ and we say to our Redeemer:

Lord, I am not worthy that you should enter under my roof,
but just say the Word, and I shall be healed.
Amen.

In the joy of the meeting with Jesus, we announce at this moment the Spiritual Communion of all souls with Christ.

In union to the Love of Jesus, we give one another the greeting of Peace.

Let us sing the "Names of God."

Song: "Canon of the Names of God - no. 1."

Most Holy Trinity,
Father, Son and Holy Spirit,
I adore Thee profoundly.
I offer Thee the Most Precious Body,
Blood, Soul and Divinity of Jesus Christ,
present in all the tabernacles of the world,
in reparation for the outrages, sacrileges and indifferences
by which He is offended.
And by the infinite merits of His Sacred Heart
and of the Immaculate Heart of Mary,
I beg You for the conversion of poor sinners.
Amen.

In the name of My Father, I grant you Peace again, so that Peace may be in the world, and I bless you, thanking you for this meeting of brave hearts.

In the name of the Father, the Son and the Holy Spirit. Amen.

Friar Elías del Sagrado Corazón de Jesús:

Thank You, Lord, for all that You give us!

In this meeting, we honor You, Lord.
