Daily Message of the Virgin Mary, Rose of Peace, transmitted in the Marian Center of Figueira, Minas Gerais, Brazil, to the visionary Friar Elías del Sagrado Corazón de Jesús

Dear children,

In the Love of Jesus everything is possible, even impossible things, because in His Love there is the master key for everything.

In His Love is the healing, and at the same time, the way out of difficulties that may arise.

Trust in this Divine Love, and every day, live through It; for in this way, you will make of this Earth a true refuge, where the Son of God will find rest and refuge through His companions.

I invite you to value the love of Jesus for you, because the whole Earth will have need of being transfigured and elevated to another state of more evolutionary consciousness.

I invite you, dear children, to have My Son make each soul an instrument for His Work on Earth. I wish you could perceive what this means at this planetary moment, in which true love between beings is at stake.

Put the Love of Jesus first and you will see, by your own means, that everything will change.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
