Daily Message of the Virgin Mary, Rose of Peace, transmitted in the Marian Center of Figueira, Minas Gerais, Brazil, to the visionary Friar Elías del Sagrado Corazón de Jesús

After the victory of Jesus on the Cross, the doors of Divine Mercy remained open in order that all sinners and the non-repentant could receive the expiation necessary for the redemption of their lives.

So it was that the victory of Christ on the Cross represented a before and after for planetary and human life; because that great sacrifice lived by Christ more than two thousand years ago represented the opening of a cycle in which souls could practice forgiveness and reconciliation.

That is how the Master of Love, with His Divine Passion, generated an opportunity that could never have existed in any other time or cycle of the planet. And that was possible because in His Sorrowful Passion, Love prevailed and won over all human error.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
