Daily Message of the Virgin Mary, Rose of Peace, transmitted in the city of São Paulo, Brazil, to the visionary Friar Elías del Sagrado Corazón de Jesús

Words of Light and Wisdom emanate from My Immaculate Heart. They are Words of Love and of Truth that come from God to illumine the paths of souls or to draw souls closer that have distanced themselves from the Father.

These Words, which emerge from My Heart, are full of Grace and of Mercy, for behind them is held an infinite and mysterious Higher Love which makes each creature worthy and venerable.

These Words seek to awaken the truth in each being, and at the same time, the Purpose that each essence is to accomplish in light of Creation and the universe.

This makes us understand that Spiritual Instruction comes to us so we are able to know how to make the most of our own life through the path of faith, charity and helping others.

The Words of Light which come from My Heart make life evolve, with each consciousness becoming a Sacred instrument of God.

The Words which come from God concretize many things, especially the Purpose and the task that each soul must experience in these times.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
