Daily Message of the Virgin Mary, Rose of Peace, transmitted in the Marian Center of Figueira, Minas Gerais, Brazil, to the visionary Friar Elías del Sagrado Corazón de Jesús

Today, may the Gifts of God awaken in your souls, and may the inner roses which express an infinite love for the Creator and His Creation open in your hearts; so that in your lives, consecrated to eternal prayer, the divine wonders the Father hopes to reveal today to your lives in redemption may be accomplished through this meeting.

May the caress of My Motherly Hands sanctify each of you and bless you at this sacred moment, so that in these difficult times you experience and remember your transformation, as an important step for humanity and your suffering blue planet.

Thus, My beloveds, let the doors of your inner worlds open so that in your essences, you may conceive the Purpose that God has destined for your lives in this time.

Holding on to My Hands so that I may guide you, dear children, walk confidently by My side, for in this way, I will fortify you on the pathway of sacrifice and eternal hope, which must be reflected on your countenances, so God may place His Graces in all of humanity.

Today, I bless you from Heaven and the Heaven of God I bring you, so that the triumph of My Immaculate Heart may be finally established in your lives.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
