Daily Message transmitted by the Virgin Mary, Rose of Peace, in the city of São Paulo, Brazil, to the visionary Friar Elías del Sagrado Corazón de Jesús

Today, let the caresses of My Hands touch your face, so you may feel the profound warmth of My Heart which restores all things, heals all things, purifies all things, just as God needs it.

Today, may you feel the embrace of your Celestial Mother, so that your spirit is comforted, so that your soul is fortified, so that each corner of your being may finally say 'yes' to Me.

Today, may you feel the beat of My Motherly Heart, may you achieve holiness and a complete consecration through small but sure steps.

Today, may you feel the motherly protection of My Mantle, so your being will feel God's shelter and the protection of all His Celestial Kingdom.

From all these gestures of love, may you receive the essence of compassion, so your being is able to be completely healed and then be redeemed.

From Heaven, receive today the perfect caress of the angels of love and of all the spiritual stream of My Immaculate Heart, so that every day you are renewed until achieving an immovable state of peace, serenity and calm.

Today, the universe is here.

I thank you for responding to My call!

Who sanctifies you,

Your Mother, the Virgin Mary, Rose of Peace
