Daily Message transmitted by the Virgin Mary, Rose of Peace, in the Marian Center of Figueira, Minas Gerais, Brazil, to the visionary Friar Elías del Sagrado Corazón de Jesús

Enter into the ocean of My Grace, so that all that happens in the world can be repaired.

Enter into the ocean of My Grace, so that all that happens in the inner world of the planet may be purified and filled by the Motherly Light of My Heart.

Enter into the ocean of My Grace, so that God may hold you in His Arms of Mercy and may realize His Redeeming Project of Love in you.

Enter into the ocean of My Grace, so that all the circumstances of life may be resolved by the immaculate power of My Love.

Enter into the ocean of My Grace, so that the life of the planet, its kingdoms, elements, angels and devas may also be aided in this time through the intercession of your prayer.

Enter into the ocean of My Grace, so that all you lost and is real, which comes from God, is recovered and you feel the fortitude that My Heart radiates in these times.

Enter into the ocean of My Grace, so you live in My Love and My Motherly Love is able to be in you until the Divine Work on this planet is accomplished.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
