Daily Message of the Virgin Mary, Rose of Peace, transmitted in the Marian Center of Figueira, Minas Gerais, Brazil, to the visionary Friar Elías del Sagrado Corazón de Jesús

May the Purity of God awaken in simple hearts so that the Earth is able to be repopulated with gifts of Healing, of Light and of Mercy.

May this Purity, in the simple, transform the planet and its humanity so that each day, the arrogance, the indifference and the constant tendency to omission may be dispelled more and more.

Let the just help the unjust and may the majority receive a great opportunity to make each life a gift to God, so that Creation may continue to be recreated, so that the most humble may bring this planet an important Grace that makes of each consciousness a new being.

In these times, may all participate in that miracle of Love, and may this Love which comes from Christ spread to the far corners of the Earth, so that those who are more separate from God feel, at least for an instant, that Love can do all things and defeats all barriers. And finally, may nobody remain without knowing God, or at least, their true inner world.

Let all consciousnesses open to know their own universe, the surest path to redemption.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
