WEEKLY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED IN FÁTIMA, PORTUGAL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Dear Children,

Today, your Heavenly Mother places Her gaze upon the wounded Africa so that its people may find, through the consolation of the Mother of God, the inner strength they need to go forward.

Africa is My beloved people, a people often forgotten and hurt by the sophisticated slavery of these times.

As Lady of the Divine Word, I come to ask My children not to forget the needs of My beloved Africa; because, as long as these urgent needs are not met by all of humanity, the time of peace that the world so desperately seeks will not come.

Through certain events, the voice and cry of My beloved children of Africa are silenced so that their suffering will not be known.

Therefore, just as in this past month I invited you to pray for the families, today I call you not to forget to pray for My wounded Africa; because I need your hearts, which already have everything, to feel sensitive for those who suffer the most.

Not a day can pass when you do not think of My children of Africa. I would like you to know and understand, someday, the importance of having more missionaries in Africa.

I pray, day and night, for those who are discarded.

I pray, day and night, for those who are neglected.

I pray, day and night, for those who are forgotten.

I pray, day and night, for those who do not listen with sensitivity to the cry and the call of Africa.

My Heart of a Mother is with Africa.

My Grace sustains the faith of all Africans. My Love shelters and consoles them in difficult hours.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace and Mother of all of Africa
