Monthly Message of the Virgin Mary, Queen of Peace, transmitted in the Marian Center of Aurora, Paysandu, Uruguay, to the visionary Friar Elías del Sagrado Corazón de Jesús

Thank you, My child, for fasting; in this way, weaknesses and temptations fade away from the depths of the consciousness.

Dare to give Me that which you can truly give Me; because it is only through you that I will be able to carry out My Works of Peace in the world.

I Am the Sun of the starry night. I Am the Star that brings rejoicing and serenity for whomever seeks them. I Am the Path that opens to find the peace of the heart in this time.

Unite with My precepts and you will know My will, which I wish to concretize in your life.

Today, I bring you to the Portal of Peace so you may enter into My Kingdom and find the Peace that is not in you. Thus, join the universe of wonders and allow Me, through My Love, to bless you.

With this water with which today I bless everybody, I decree by this element the Purifying and Eternal Love of God, so the particles of the enemy may be dispelled and hearts find healing.

Over the water I pour the codes of Redemption and the Glory of My Son Jesus, so that those who have been sad and lonely may be able to again find unity with the Celestial Father.

Today I come so that, through this water, your debts be washed away and the Love of Christ the Redeemer enter into you.

With this same water, I will wash away your offenses, imperfections and fears; through it, I will leave the sign of Baptism and Renewal, by means of the Powerful Essence of the Holy Spirit.

Like the water with which Jesus was baptized, today I baptize you for the redemption of all, so that you may feel My caresses of Motherliness and of Peace.

Let the healing of the spirit be the goal for all; in this way, the doors of Paradise will be open for those who simply said 'yes' to Me from the start.

Over this water, I leave the universal Love of the Cosmos, the visible sign of purification and holiness for the newly redeemed.

Receive this water as the symbol of forgiveness and reconciliation with God the Father, so this Sacrament of Spiritual Baptism allows you to commune with the Gifts of God and His Adorable Son.

As your Mother, over this water I pour the spirit of liberation and of transfiguration, so that good spirits may rise up and find the peace of the heart.

I redeem you. I purify you. I absolve you.

In the name of the Father, the Son and the Holy Spirit. Amen.

Thank you for responding to My call!

Your Mother, the Virgin Mary, Queen of Peace

Friar Elías del Sagrado Corazón de Jesús:

As Mary transmitted this Message, She was consecrating this water.

So, let's receive this blessing with great love and much gratitude; in this way, as She said, we will feel ourselves washed by this water of life.

After Mother Zorobable does this blessing, there will be two brothers at the exit who will be breaking this bread with their hands, so those who feel like it, are able to commune and carry the Body of Christ in their hearts.

While the Mother does the blessing, let's sing.
