Daily Message of the Virgin Mary, Rose of Peace, transmitted in the Olmué Commune, Valparaíso, Chile, to the visionary Friar Elías del Sagrado Corazón de Jesús

The Lord, your God, and His Beloved Son, will never look at your sins, but rather at the efforts that your heart does not make in order to please God.

The Lord, your God, knows of your exile and has also penetrated your desert. He knows what is arid in you, but also what is fruitful and gives virtues, gifts and graces to Creation.

Walk toward the path of divestment and surrender; and I assure you, My child, that you will find the freedom you seek so much.

Surrender for your Lord, give up what you most desire in life and you will be on the path of emptiness and what is unconditional.

Let your feet not fail to walk toward the Source, so as to be able to drink of the Gifts of God and His Great and Infinite Void.

Be happy rather than sad about what you are experiencing today. Thank God for each test, each desert and each inner challenge, for in the void you will find your Master and Lord. He will wait for you with His Arms open and will free you from the weight of the chains on your body; because the spirit that dwells in you, which is non-material and divine, will merge in communion with the Lord of the Heights.

Celebrate the time of your spiritual death, because you will change your cycle and will be born to the new; you will no longer be in the old, but rather in the renewed, because the Divine Fire of your God will have touched what is deepest in your being to make you re-emerge from the void.

Do not fear surrendering, do not fear losing the control of your form and the activating of your ideas. Let your life be definitely of God, so the Almighty can make of your consciousness what He once made of the peoples and the patriarchs.

Melt now into this great mystery which is latent behind the Will of God, part of the infinite and invincible Love of the universe, which will make of your consciousness a new being in the image and likeness of your Creator.

So be it.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
