**DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY,
TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS**

Dear children,

With immense joy to the Heavens, today you renew the vows of charity and love that you have made to God the Father.

As servers guided by the Holy Spirit, My children, I call you to maintain the inner unity with the Merciful Heart of God.

Know that the union of your hearts with the Eternal Father has repercussions as a great Source of Light upon all humanity. The more you believe that God is everything for your lives, the more the Plans of Peace will be able to be a living reality for all My children.

This is why I invite you today, My dear ones, to witness through prayer the infinite Creation of God. May your hearts be little stars in the Universe that must radiate peace through harmony and Light to dissipate shadows.

It is time to place, with confidence, your heart in the Hands of God. For this, the most perfect path is the path of Life, Love and Truth that My Son has been inviting you to travel for a long time. Your lives are contemplated by My Son and He sees you all as souls in a great school that is called the "School of Forgiveness and Redemption."

Each one of your souls lives a part of this school. The moment has come for all My children, gathered in this world and in the name of God, to practice the school of prayer and fraternity.

Being fraternal is a path that you must build day by day and, for this, loving patience towards others must emanate from you.

If each soul on Earth were truthful with its fellow humans, the Love of the Father would be able to express itself in infinite ways in each of His children. But there is still much to learn, that is, there is much to forgive to be able to learn to love.

I am close to My children so that they may remember that it is time to live in Christ so that the Father may receive you all in His Promised Kingdom.

I am here, My little ones, to lead you towards Heaven. May your hearts be firm in the purpose of God.

I thank you!

Thank you for responding to My call.

Mary, Mother of the Divine Conception of the Trinity
