**DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY,
TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS**

Raise your hearts. Aspire to the Heavens. Know that I am your Mother who rejoices you and loves you in the same way that

I loved Jesus. May all despair disappear from you. May you ignite, in this moment, My Maternal Peace in your little hearts.

Breathe in the perfume of My words, I am the Queen of Peace who shelters all the children of God. For the soul, I am the Messenger of the Holy Spirit, who wants to take you to the Redeemer.

Do not be discouraged by anything in life, be reborn now before the Creator. Accept the changes that are approaching, live today the True Love of the heart. God hears the supplications when the prayer is sincere because it acquires the strength of the Love of the heart.

Lift your arms, My dear children, as Jesus the Redeemer comes again to your lives.

I know that the world cries out for Peace. God sends His Servant to proclaim love in My children and the forgiveness of all the past. Feel the union in your hearts so that you may be partakers of the new spirit of peace that My Immaculate Heart is emanating to the world.

Know that I know you all very well, just as My Heart of Mother knows Jesus. I know what you need and in what you must mature. Therefore, My children, be truthful so that your eyes may closely see the footprints of the return of the Shepherd of Love.

Prepared as for a great supper, your hearts will rejoice when they hear the call that My Heart will proclaim.

Return to God every day so that My stars of peace and of the annunciation may be the guide for your consciousnesses. Let us vigil in prayer so that all may be partakers of My Maternal Light.

I love you and wait for you in prayer.

I thank you!

Mary, Mother of the Divine Conception of the Trinity
