DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MG, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

Dear children,

May in times of Apocalypse, you only live in the faith of the heart.

For this, children, may your souls confirm to the Celestial Father the absolute feeling of trust and love, that each one of you has for the Creator.

Today I pour over your spirits the Creative power of the Love of God, something that humanity forgets to search and to practice with the heart.

In these times, the Living Love of God will be what will help you to bear the cycle of internal changes, which will come for all without exception.

My children, seek the Love of God through the Love that Christ tirelessly offers you every day. For this, My hands touch your hearts today to ignite them in the Light of the Love of the Creator, in the love that trusts, in the patient love, in the renewing love.

Take in your hands the rosary and pray with love, because that will liberate you from all evil and you will not fall in the ambush of the enemy's trap.

With your hearts in faith you will bear every test and disturbance and when the time to face your purification comes, the power of your prayers will have made you meek and peacemakers in the Heart of Christ.

Allow, My beloved children, your debts to be alleviated and forgiven.

Always trust in the Mercy of God and do not waste time in the superficial problems.

Despite the serious situations that humanity lives, I bring you the definitive opportunity of being able to reach the inner sanctification.

Everything indicates that something must happen in these times. The Universal laws that spring from the Heart of your Celestial Father are combining so that the harmony that is lacking in this world may be able to manifest.

Only through determination you will open the right door so that the whole of humanity do not miss the opportunity of receiving the Mercy of My Son.

I always shelter you with My Love.

Your Mother prays for you, so that someday you may be what you came to be: worthy in the Lord and in His Unfathomable Love.

Pray for those that, influenced all the time by the modernities, are imprisoned in the technologies and lose the inner thread of light that unites them with the Love of God.

Be what My Son expects: be apostles of love and of redemption.

I thank you for answering to My call!

Who calls you to love with the heart and with the soul,

Your Mother Mary, Rose of Peace
