**DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN**

Dear children,

In times of spiritual battle do not fear My adversary, He will never be able to defeat any of the hearts that may have professed its consecration to My Immaculate Heart. He may make their temple shake but the temple will never be overthrown, because the strength that My Heart of Light gives you is invincible in face of every harm and every evil.

Children, live the cycle of your purification as the great moment of your spiritual rehabilitation before the Universal Father. Know, dear children, that your purification will have its time and its final moment. For this, do not lose the inner strength that prayer provides to you.

Today I give you to drink from the Source of Healing that springs from My Most Chaste Heart so that, renewed by My Maternal Love, you may receive at this time, the opportunity to commune again with the Celestial Father.

Dear children, in the times that will come, do not awaken panic nor the false fear because the true Will of God is unknown by the humanity of the Earth. Just try to be good persons, full of the Love of God, which fulfills you all the time, and try to serve without preferences so that each one of your offers may be accepted by the Creator Universe as an act of repairing love and of healing for the whole world.

Beloved children, be the testimony of redemption that My Son expects, reflect to all the spirit of your spiritual transformation, thus you will encourage all of those that do not want to live the transformation.

Dear children, your Celestial Mother accompanies you in this section where many cross the thresholds to the purification and to the inner liberation. Listen to My call. Accept the kind hand that extends itself towards you in order to help you. Live the time of your purification as the moment of divestment of oneself.

I thank you for answering to My call!

Who always accompanies you,

Your Mother Mary, Rose of Peace
