**DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY,
TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS**

As Lady of the Mystical Rose, today I want to invite you to contemplate God from the Heart, because it is in the heart that Peace is found and it is through the heart that the door to suffering and evil is shut.

Dear children of My Father, it is with the prayer of the heart that all souls on the face of the Earth may relieve all pain and suffering. But still there are souls that united to the Living God have no strength to consecrate life, because they are immersed in the current world.

So that all souls may be touched by the same Virginal Grace that you have been touched by, today I invite you so that in prayer are placed all of the hearts inside the Kingdom of God who, confused, need the light of My Immaculate Heart.

For these days of the Prayer Meeting with Me in Lujan (Province of Buenos Aires, Argentina), I invite you to remain as guardians of prayer so that in this way your little hearts became as custodian angels who follow the purposes of Peace of My Immaculate Heart.

Today I also tell you My dear children, that My Merciful Face is working for the salvation of all the souls that, with serious faults, will receive the ministry of My devotion so that all of them may be re-lit again by the immediate assistance of the Divine Holy Spirit.

To you who already have walked a little through the path of the prayer of the heart, I call you so that, through yours, all the hearts learn to pray fervently and to be in My Maternal Heart, so that My Celestial Light protects you.

Dear children, I leave an inner mission for each one of you and for all the souls that at the end of this time answer My call. My request is that you live in the faith that prayer irradiates you with, so that fidelity may be manifested in each of your hearts, the fidelity to My Son, the Redeeming Love.

I thank you!

May you today only be with Me in the Kingdom of My Eternal Peace.

Thank you for answering My call.

Mary, Mother of the Divine Conception of the Trinity.
