DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED DURING THE JOURNEY FROM PORTO ALEGRE, RS, BRAZIL, TO PAYSANDU, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

My Children,

In the beginning of this Palm Sunday, I invite you to remember the moment when your King and Savior entered through the high gate of Jerusalem to freed it from punishment and from the conquering power.

Remember this decisive moment because it was the beginning of the surrender of your Lord to the cross of Redemption.

For this, on this day, dear children, glorify Jesus because He was the one who, in the name of the Supreme Will, came to the world to end the captivity of all of humanity.

Raising your branches and palms of light to receive the Savior at the doors of the inner Jerusalem, open your hearts to recognize the Lord of the Infinite Mercy. In this way, being healed and forgiven by His Luminous Presence, receive from His Sacred Heart the gift of Peace, because in these times Peace will lead you to testimony the second coming of Christ.

Now, in glory and in power, the King will arrive to end His Mission on Earth. Prepare your virtues and gifts because soon He will come to get them to do with them His Works of Mercy in the souls of the world.

Children, silently, your Celestial Mother, in the joy and fullness of Her Immaculate Love, reminds the passage of the arrival of Jesus to Jerusalem. This moment was meaningful and predestined for all of humanity because it would reach, throughout this act, the time of its purification.

But it is now, children, that you must be prepared to wait for the second coming of Christ. I call you to become aware of this universal event that will mobilize all of the laws of space, and the stars will be witnesses of the arrival of a new cycle.

Until that happens, bring back to your hearts the passage of the entrance of your Master to Jerusalem. In this way you will attract the codes of light needed to define your paths.

I thank you for answering to My Call!

Who is with you today, at the doors of Jerusalem, waiting for the Savior,

Your Mother Mary, Rose of Peace
