**DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY,
TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS**

My Immaculate Heart radiates Love to the world. My hands of a faithful servant sustain it with much love. From Eternity, I send Light onto all so that the Holy Spirit may act as a celestial fire in the hearts, may heal them, elevate them and forgive them in order to be in unity before the Creator.

Dearest children of My Maternal Heart, with the Flame of Love from the Holy Spirit over the world, let us celebrate today the immense joy that God gives you through My daily presence in your lives. Today, emanate the ray of gratitude so that all souls may also receive the Grace of the conversion of the heart, the inner relief for life.

Rejoice your hearts, for in these past seven months of daily messages My voice has been echoing. When your souls rise to the Heavens, the Eyes of Kindness will reveal to you all of this daily exercise of love that My Heart is doing for this humanity.

I want to tell you that God, silently, through My Fire of Merciful Love, has been calling you every day for seven months so that the world may remember that the One and Only Will, the original Source of Love and Unity, the Eternal God, Omnipresent and Kind, loves you and waits for you through a sincere act of reconciliation with His Beloved Heart. The Father of Graces has descended in Divine Spirit to awaken the Light in your hearts. This is the echo that My Maternal Voice is propagating so that all hearts may reach peace.

Therefore, dear children, may each moment of prayer dedicated to the Sacred Heart of Jesus and to the Immaculate Heart of Mary be a perfect alliance with the Love of God for your lives and for the conversion of all those who are still not converted.

My Heart, through these past seven months of daily calls has wanted to impregnate you with the instruction of Love and of the Redemption that My beloved Son radiates to the world with His Divine Mercy.

Walk without pause to the encounter with the Love of God.

I thank you!

Thank you for responding to My call.

Mary, Mother of the Divine Conception of the Trinity
