APPARITION OF THE GLORIFIED CHRIST JESUS IN FATIMA, PORTUGAL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS, DURING THE 116TH MARATHON OF DIVINE MERCY

In the name of the Father, the Son and the Holy Spirit. Amen.

In the name of the Father, the Son and the Holy Spirit. Amen.

In the name of the Father, the Son and the Holy Spirit. Amen.

The Inner Council of the planet, which is the Hierarchy, is now gathered, and this Council decides about the future of humanity. Upon the table of the Brotherhood are the new decisions. All contemplate and meditate for the best solution.

There are many situations that are being evaluated, and although you do not have total awareness of what this means, I thank you in advance for your prayer with Me, so that the Spiritual Hierarchy may also be helped in the making of new decisions.

A Plan is described before Our Eyes. The Divinity must take the first step and then the whole Hierarchy may take the next step, and thus, all of humanity may advance on the path to the recovery of its Purpose.

In the face of a time of grave emergency, the Hierarchy reconsiders its attitude before the universe. The Higher Spheres indicate this path.

The Scepter is in the Hand of the Mother of God. She is the One Who leads and guides the entire Brotherhood, because in this way Her Word and Her Message will be fulfilled again, as it has been in recent times and through the next August 8, when a special conjuncture will take place for all the inner worlds that are attentive and vigilant; all those who awaken on that day and receive the much expected and longed for revelation from other times, so that all these consciousnesses may also take the step in their evolution and awakening.

Today, I speak to you through the language of My Spiritual Government, because you must already attune with My Spiritual and Divine Government. It is time for you to recognize that, after the Ascension of the Lord, He assumed the Government of this universe and of others, He assumed the conduction of all souls and essences in this universe and in others.

Your Lord assumed preparing Himself to return, and this path starts defining itself within the heart that lives the Message, within the souls that listen to My Call; because everything will happen in what is most invisible and profound, where all eyes cannot see it, where only the fiery heart will be able to feel and recognize it.

These are the gifts and the treasures of the Hierarchy that will be entrusted to the consistent in heart, to all servers of the Plan of Christ.

This will be your last star, this will be your last sun, which will rise in the innermost depths of the universe of each being that believes in Me and that, as throughout the recent times and years, will be part of the new history that I Am writing through the souls that transform themselves in Me and for Me, through the hearts that responsibly assume their role in these times.

The Book of Love of those in the White Garments, this August, is open and exposed to all.

Who will recognize their signature in this Book? Even more, who will recognize their experience of love and redemption in this Book?

Have you realized, companions, that in these last ten years when you have been with Me, you are part of a new history of the redemption of humanity? Just like many brothers and sisters of yours in the world, especially those who have faith in the Lord.

For this reason, as your Redeemer, as your Master and Lord, as the Governor of this universe, as the Son of the Living God and of Creation, I come to open this last and definitive door, the door number 14, which is the door of the Return of Christ, so that souls may rejoice and feel bliss in the Lord, the Redeemer. Just as the angels of Heaven today feel the joy of being part of the history of the Living Christ in the heart of each human being who professes and lives their faith in Me, who lives through My Sacraments and dares to multiply My Graces in this wounded world.

This is why, before the Inner Council of this planet, which is the Council of the entire Brotherhood, around this table, where new decisions will be made and tested, I invite you to assume this part with Me, I invite you to decide with Us, your Masters and Hierarchies. I invite you to recognize your signature and your name in the Book of Love, and to sit at the table of the Hierarchy to build the Plan, not only the Plan of My Return to the world, but also the Plan of the redemption of the world, which must imperiously be fulfilled and experienced in these times.

Therefore, what will you offer to Me today? What will you give to the Hierarchy on this day when the Great Meeting begins, at the eve of August 8?

Who will definitively enter the Sacred Star of My Heart and be part of My Sacred Geometry, which renews and recreates itself through the souls that purify and transform themselves?

Who will be part of the new design of the Brotherhood?

Who will decide to be Light in this world in darkness?

Who will be co-responsible with Me in this Plan of Rescue?

Who will recognize, from other times, what they have lived with Me? The Footprints of the Lord, which you have always followed. The Light of the Lord, which you have always sought. The Love of Christ, which you have always aspired to find.

This is what I have to offer to each one, in this hour and at this moment.

This is why I ask you:

What else will you offer to Christ?

Because the moment has come to make the decision, because on this decision and on this inner moment will depend the next steps of humanity and of the planet.

Be aware that all this is done out of Love and for no other reason.

It is Love, at this moment, that grants you this miracle, that you may listen to the Lord, the Christ, again, and that your inner Christs may recognize Him.

Because it is the time and the hour to gather the 144,000 from the four corners of the Earth, as many of them are gathered today in Portugal, celebrating the Word of the Lord, living the Word of the Lord, communing with the Presence of the Lord.

Behold the Book of Love of those in White Garments, receive it in your hands.

This is the Sacred Treasure of the Spiritual Brotherhood, preciously kept in the Heart of the Hierarchy, where the true history of this world is written. The history that no book of this humanity has revealed so far. Because We have worked on this Treasure throughout the times, throughout the centuries and generations.

In this Book of Love, which We present and grant to you today, is also the history of each one of Mine.

Keep it within your hearts and may your lives be part of it, just as this Book is part of the Light of the Hierarchy, in which all the names are known, in which all the trajectories are represented.

This is the truth of My Love for all, because in this Book is also My life, the life that I lived with you here in this world.

Each moment of preaching, each miracle granted by the Father, each drop of Blood that was shed on the Calvary, each agony that was lived by Me in absolute silence. And, above all, through this Book, My life is represented by the love for Me that many truly have.

It is this love in Mine and of Mine in Me that renews all things, that overcomes all evils, that dissolves all darkness, that resurrects the dead in spirit, that blesses those who are condemned, that sanctifies those who are persevering.

My Love can do all things, even to the ends of the universe.

Thus, welcome to the Great Meeting of the Spiritual Hierarchy, who has opened the door so that all may enter Our Dwellings, so that the Advent of the New Race may be fulfilled and so that the New Christs, through the last apostles of the end of times, may repopulate the Earth with Mercy, Grace and Redemption.

Commune with Me from this moment, just as I commune with you by means of the giving of your lives and, above all, of your hearts.

Receive My blessing and My Peace.

In the name of the Father, the Son and the Holy Spirit. Amen.

In the name of the Father, the Son and the Holy Spirit. Amen.

In the name of the Father, the Son and the Holy Spirit. Amen.

And now, to celebrate this moment and, above all, to bless the special moment that this Work will live in these days of August with the entire Hierarchy, I come once again in the name of Love and Life, to celebrate the Eucharist with you and with your brothers and sisters, a faithful testimonial of My Love for the world.

Let us prepare for this ceremony, so that My Celestial Church may descend to Earth and make a miracle of each human heart.

I gather you again at My table of redemption, just as I would gather the apostles and so many in the inner planes who would participated with Me in this Sacrament.

Thus, once again, by means of this offering, after having purified your hearts, I renew the life of My companions through the infinite mystery of My Body and My Blood, preciously exposed today at this Altar, in the tabernacle of each human heart.

Let us celebrate.

Friar Elías del Sagrado Corazón de Jesús:

Let those who can, stand up or kneel down at this moment of transubstantiation.

In the Holy Cenacle, I gathered you to give you My Life, to give you My Love, to grant you redemption until the end of times.

Thus, opening the doors to you in this sacred month of August, I come to offer to you what is most intimate of My Life and My Heart, so that you may have life in abundance.

Thus, I ask you again to take the bread, raise it to God in thanksgiving, in inner offering so that the Father may convert it into My Glorious Body, which I again break and share with you, saying that this is My Body, the Body that was surrendered for humanity, and is surrendered today for many, for the forgiveness of sins.

We praise You, Lord, and we bless you.
We praise You, Lord, and we bless you.
We praise You, Lord, and we bless you.
Amen.

We revere the Presence of the Body of Christ, just as My angels of Heaven revere it.

I ask you to take the Chalice in your hands and offer it to God in sacrifice, just as His Beloved Son did, so that the wine may be transubstantiated into My Precious Blood at this moment when Heaven unites to Earth, when souls unite to God and God unites to souls in eternal communion.

Thus, I pass it to each one again, saying to you, "Take and drink all of it, because this is the Chalice of My Blood, the Blood of the new and eternal covenant between souls and God. The Precious Blood that is spiritually poured out again upon the world at this moment, for the remission of all faults and the end of wars. Do this in My Presence and in remembrance of Me, because I Am now returning to the world."

We praise You, Lord, and we bless you.
We praise You, Lord, and we bless you.
We praise You, Lord, and we bless you.
Amen.

Friar Elías del Sagrado Corazón de Jesús:

We revere the Presence of the Blood of Jesus, just as the angels revere it and just as the angels collected it on top of Mount Calvary.

In union to the Father, in union to the Presence of the Son and to the Presence of the Holy Spirit, we will say the prayer that I taught you on the Mount of Beatitudes, so that this sacrifice may be pleasing to the Creator and for the triumph of My Heart in this world and in each heart that offers itself in this month of August to be part of the Plan of My Return.

Let us pray.

Prayer: "Our Father."

May My so awaited Peace descend to the world.

And I want you to say the next prayer with the same faith that the centurion had, believing in the power of Forgiveness and Mercy.

Lord,
I am not worthy that you should enter under my roof,
but just say the Word and I shall be healed.
Amen.

Friar Elías del Sagrado Corazón de Jesús:

Thus, at this moment of union with Christ and for Christ, We announce the Spiritual Communion of all souls in the whole world with the Sacred Heart of Jesus.

May My Peace be in you, so that My Peace may give life in abundance.

Friar Elías del Sagrado Corazón de Jesús:

Gabriel Cruz, Lucía, Michael and the daughter of María Garabandal may come here. Christ will offer this Communion for the youth.

Let us pray:

Celestial Father,
who leads us all,
accept our offering of surrender to You.
Guide us on the path of Love,
so that Your Will may be done.
Amen.

And after this Communion with Me, which prepares you for the month of August, do not forget the Book of Love of the Hierarchy, which you must glimpse and contemplate with hope and joy, that gift and treasure of the Brotherhood.

I thank you for being with Me today and for being with Me until the end of times.

I impart with you My Light and My paternal blessing:

In the name of the Father, the Son and the Holy Spirit.

In the name of the Father, the Son and the Holy Spirit.

In the name of the Father, the Son and the Holy Spirit.

Amen.

Go in peace, with Me.
