**DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY,
TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS**

The Infinite Light of My Immaculate Heart will prevail and reign through the absolute love of all My children, given and dedicated to the life of prayer that must be done with the heart.

Dear children,

Yesterday, in the feast dedicated to My Immaculate Heart, I visited you to invite you again to live from the loving and redeeming fruit of prayer. All humanity must return, through My Love, towards the arms of God and towards the Merciful Love of My Son, who wants to awaken you to the reconciliation with life by means of a pure act of forgiveness which must emerge from each one of you.

The Heavens observe the Earth and My Maternal Heart participates in it. Dear children, may the bravery to want to live in God the Father day by day and to be in the Kingdom of His Grace all the time, also awaken in you. If you only awaken this simple aspiration in your little hearts you will discover the path of purity in order to then find peace.

My children, each act of giving and charity elevates you as faithful servants. Therefore wait for the coming of the new always in the prayer of the heart.

As the Mother of the Holy Faith, I contemplate you and direct My prayers to God for each one of you. Therefore, if your hearts elevate themselves, My Mantle of Peace will be able to help other hearts in need.

So that the world may live in the Peace of God, it must pray a lot and for this the existence of Marian groups of prayer will allow the descent of the Celestial Love over the Earth. In your hands is the key to the union with God. By means of the exercise of prayer you will help the world as My Immaculate Heart has been doing for so long.

I love you and shelter you; just be united to My Heart.

I thank you!

Thank you for responding to My call.

Mary, Mother of the Divine Conception of the Trinity
