WEEKLY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED IN NAZARÉ, PORTUGAL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

My dear children,

While the world, and especially some nations, face the evil and chaos of these times, I call upon you to be bearers of My Peace.

While wars provoke fearful profits to those who promote arms and generate inexplicable suffering to the majority of My children, I call upon you to be ambassadors of My Peace.

While impunity blinds many ambitious minds and hearts, and causes pain and anguish to numerous peoples and families, I call upon you to be instruments of My Peace.

While abortion and the discarding of the newborn and the unborn become normal, indifferent and dark habits, I call upon you to be the Light of Christ's Mercy.

While entire regions dry up overnight, and cities and towns are destroyed by the fury of climate change, I call upon you to be ambassadors and protectors of Creation.

While indignation, hunger and misery undermine the gift of human and spiritual dignity, I call upon you to be representatives and guardians of the Values of God on Earth.

While souls face harsh trials and many discover their weaknesses, miseries and illnesses, I call upon you to be bridges of love and healing for this suffering humanity.

While roads, borders and oceans are closed for refugees and exiles, making the world insensitive and indifferent to the suffering of your neighbor, I call upon you to be intercessors of Peace and Mercy; because without instruments in My Hands, your Heavenly Mother will not be able to intercede.

May all voices and hearts unite in a single prayer, saying: "Lord, have Pity and Mercy."

I will always pray for you.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
