**DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY,  
TRANSMITTED TO FRIAR ELÍAS**

As Mary of Nazareth I give you all today the love of My Immaculate Heart of Mother.

Dear children,

It has been six months of daily messages that have been spoken with immense gratitude and joy to you. With this I want to tell you that the path of prayer is infinite for your lives, but it is on this path where you may find peace and faith for the heart.

I accompany you today as I have in these six months for this definitive cycle in the life of My children in the world. For this your perseverance will permit the awakening of the spiritual motivation of prayer on the part of other children. Each action that is done with the heart is a glorification of God the Father, because thus you will be inside the Kingdom of His Love and Will.

So that your lives may take the certain steps to the Lord, you may imitate the path of humility and obedience that Christ, My Reborn Son, who lived before the presence of the Heart of the Father. This exercise of obedience and of humility will awaken in you the trust in the merciful decisions of God and so your hearts may be strengthened in the path.

Remember little children, that the good works that are born from the heart not only please the Heart of the Father but also have repercussions on the redeeming mission for humanity, a mission that My Son will bring forth in His return to Earth.

For these moments your hearts must be in prayer and awaken before the real needs of the world, so that your eyes, the eyes of souls in service to God, may recognize the presence of My Son among you.

Know, dear children, that in the same way that He was among His followers, after the Glorious Resurrection, He will be in the world again, especially with the new disciples that await Him with an open and surrendered heart.

The will of the Father may be fulfilled for this last cycle through your response. My Will of Mother comes from this Supreme Will.

Let us celebrate in prayer these six months of daily meetings with Me, with the Mother of Peace.

Thank you for answering My call.

Mary, Mother of the Divine Conception of the Trinity.
