**DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY,
TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN**

My little children,

Thank you, because on this day I have collected with My hands of Mercy each one of your pleas made for this humanity in need. Thank you also, dear children, for waiting for Me to receive My Message of Peace on this 25th of April.

I want to tell you that I have been in Medjugorje because there, in that Kingdom of Prayer and Devotion, My other children were waiting for Me. Thus, My children, you are able to know what the Omnipresence of My Immaculate Heart is like and how, in My Mission of Peace for the world, all of you accompany Me through the pathways of the prayer of the heart, which in this time must be a flame that guides you and shelters you.

As the Mother of Graces I pour My Immaculate Spirit over the nations that most need God, Forgiveness and the Mercy of My Son.

Today I want to invite you to continue on the path of prayer, because if it is true and it is born from the heart, it will be able to transform you.

Dear children, I accompany you through this path that you are traveling, a path of consecration to God that will lead you towards the Infinite.

My children, keep, especially, the presence of My Heart and the Heart of Christ during these days of encounter with Me so that it may help you in the moments that will come.

I thank you, dear children, for accompanying Me on this path of prayer that is awakened through My Maternal Presence in the world.

I thank you also for accompanying Me to the Apparitions in Portugal, for God has something prepared for each heart that opens itself and trusts in My call.

Once again, today I say to you: thank you!

From the Light of the Immaculate Heart,

Mary, Mother of the Divine Conception of the Trinity
