**DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY,
TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN**

As a guardian Mother of the hearts, I bring you to the daily encounter with the Most Beloved Heart of My Son. This loving and good Heart of Love of Jesus must be like the burning fire in your hearts, a fire that allows you to grow and learn in honor to the Glory of God and for the Divine Love that the Celestial Father has for each one of His children.

Today, My little children, I invite you to consider the opportunity that each one of your lives is receiving through My monthly arrival towards your hearts by means of My announcements of Peace and Redemption.

Dear children, many changes will take place in the world, but they will be more welcomed if everyone unites to one another under the Spirit of My Immaculate Heart. Because of all this I ask you to not worry about what God has not revealed to you as humanity.

Yes, dear children, I tell you that the traps of the enemy confuse the hearts that must follow the one single Purpose of God in these times: Peace. It, beloved children, will be more real and truthful in each of your lives when you practice the prayer of the heart, the confession with My Son, and the fasting for all souls that live far from God.

I tell you more, My dear children: awaken the spirit of hope so that the Goodness of God may be a fact for this humanity.

Thus, little children, when your actions and your lives correspond to the steps that My Son and My Immaculate Heart will mark for you in this special time of definition, your hearts will be able to be in God.

Envelop your hearts with the Mantle of My Peace so that, guarded by My Merciful Ray, which comes from My Glorified Son, I may be able to guide you and accompany you closely.

Let us be, in this hour, in vigil and prayer, adoring the Heart of Christ so that He may show you the next path before His expected return to the world.

All has been announced, but now the ears, the inner ears of the heart, must open.

Thank you for responding to My call.

Faith in your hearts.

Mary, Mother of the Divine Conception of the Trinity
